

date for completion of the investigation to January 29, 2014. Id. at 71645.

On December 19, 2013, in response to a request from the parties, the Commission granted the parties an extension to file their reply submissions in response to the Commission's request for briefing to January 6, 2014, and further extended the target date for completion of the investigation to February 19, 2014. Notice (Dec. 19, 2013).

On December 23, 2013, the parties filed initial submissions responding to the Commission's request for briefing on review and concerning remedy, the public interest, and bonding. On January 6, 2014, the parties filed reply submissions. Several third parties filed submissions concerning the public interest, including: Sprint Spectrum, L.P.; CTIA—The Wireless Association®; and United States Cellular Corporation.

Having examined the record of this investigation, including the ALJ's final ID, the petitions for review and the responses thereto, and the parties' submissions on review, the Commission has determined to find no violation of section 337 with respect to the '336 patent.

Specifically, the Commission affirms the ID's claim constructions as to claims 6 and 13 of the '336 patent.

Regarding infringement, the Commission affirms with modification the ALJ's finding that the accused products do not satisfy the "entire oscillator," "varying," and "external clock" limitations of claims 6 and 13. Moreover, the Commission affirms the ALJ's finding that Complainants failed to prove indirect infringement because they failed to prove direct infringement.

With respect to the domestic industry requirement, the Commission finds that Complainants have satisfied the economic prong of the domestic industry requirement based on modified reasoning.

The investigation is terminated.

The Commission will issue an opinion reflecting its decision within seven days of this notice.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission's Rules of Practice and Procedure (19 CFR Part 210).

Issued: February 19, 2014.

By order of the Commission.

Lisa R. Barton,

Acting Secretary to the Commission.
