

literacy in STEM education. In the Federal Strategy for STEM Education, computational literacy includes digital literacy, cybersafety, cyberethics, cybersecurity, data science, data security, intellectual property (IP), computational thinking, artificial intelligence, quantum information science, and digital platforms for teaching and learning. Considering this definition, please answer the questions below:

20. What are the benefits when integrating computational literacy within a STEM curriculum and/or with related standards, guidance, or resources? Please describe any challenges when integrating aspects of computational literacy into your instructional delivery.

21. What components, key concepts, or topics should be included to integrate computational literacy into STEM education at all levels? Please explain what they are and why they merit special attention.

22. What are existing programs, content, curriculum, or education and training opportunities that inform successful examples of building computational literacy in STEM education? Identify both Federal and non-federally sponsored research and programs.

23. What technologies and resources do you currently use (e.g., apps, learning management systems, collaborative tools, STEM websites, websites linked to curriculum)? Are there others you would like to use, that you do not have access to both for in-person and remote teaching and learning?

Community Use and Implementation of the Federal Stem Education Strategic Plan

The Federal Government seeks information on community utilization of the Federal STEM Education Strategic Plan.

24. Please describe how your organization has used the Federal STEM Education Strategic Plan. How does your work align with the goals and pathways identified in the Strategy (provided above)? What changes have you made to your program or activity in response to the Federal Strategy?

Thank you for taking the time to respond to this Request for Information. We appreciate your input.

- I. Introduction
- II. Docketed Proceeding(s)

I. Introduction

The Commission gives notice that the Postal Service filed request(s) for the Commission to consider matters related to negotiated service agreement(s). The request(s) may propose the addition or removal of a negotiated service agreement from the market dominant or the competitive product list, or the modification of an existing product currently appearing on the market dominant or the competitive product list.

Section II identifies the docket number(s) associated with each Postal Service request, the title of each Postal Service request, the request's acceptance date, and the authority cited by the Postal Service for each request. For each request, the Commission appoints an officer of the Commission to represent the interests of the general public in the proceeding, pursuant to 39 U.S.C. 505 (Public Representative). Section II also establishes comment deadline(s) pertaining to each request.

The public portions of the Postal Service's request(s) can be accessed via the Commission's website (<http://www.prc.gov>). Non-public portions of the Postal Service's request(s), if any, can be accessed through compliance

with the requirements of 39 CFR 3011.301.¹

The Commission invites comments on whether the Postal Service's request(s) in the captioned docket(s) are consistent with the policies of title 39. For request(s) that the Postal Service states concern market dominant product(s), applicable statutory and regulatory requirements include 39 U.S.C. 3622, 39 U.S.C. 3642, 39 CFR part 3030, and 39 CFR part 3040, subpart B. For request(s) that the Postal Service states concern competitive product(s), applicable statutory and regulatory requirements include 39 U.S.C. 3632, 39 U.S.C. 3633, 39 U.S.C. 3642, 39 CFR part 3035, and 39 CFR part 3040, subpart B.
