SUPPLEMENTARY INFORMATION:

Background

In FR Doc. 2013-04954 of March 11, 2013, there were technical and typographical errors that are identified and corrected in the “Correction of Errors” section below. The provisions in this correction notice are effective as if they had been included in the document published on March 11, 2013. Accordingly, the corrections are effective on May 10, 2013.

Correction of Errors

In FR Doc. 2013-04954 of March 11, 2013, make the following corrections:

1. On Web page 15564, in the third column, first paragraph, after the third sentence, add the following sentence: “We have modified the language to clarify that we will be reviewing the MSPP issuer’s plan as part of the contract negotiation process.”

2. On Web page 15564, in the third column, first paragraph, remove the fourth sentence.

3. On Web page 15566, in the first column, fourth paragraph, second sentence, revise “(b)(2)(ii) to read “(b)(1)(ii)”.

4. On Web page 15566, in the third column, fourth full paragraph, revise the last sentence to read: “We are adopting proposed § 800.105(c)(3) as final, with one editorial clarification.” Also, after the corrected sentence, add two

sentences that read, “We have slightly reworded and moved a sentence from paragraph (c)(4) to paragraph (c)(3) because it is more appropriately placed there. Paragraph (c) now refers consistently to ‘habilitative services and devices’ throughout.”

5. On Web page 15567, in the first column, second full paragraph, revise the sentence to read: “Except for the editorial change described above, we are making no other changes to § 800.105(c)(4), because it is consistent with standards applicable to QHPs at 45 CFR 155.170.”

6. On Web page 15567, in the second column, third full paragraph, last sentence, remove the phrase, “including by inserting a reference to both habilitative ‘services and devices’ in § 800.105(c)(3) to be consistent with § 800.105(c)(4)”.

7. On Web page 15567, in the second column, fourth paragraph, after the third sentence, add a sentence to read: “An eligible individual is an applicable taxpayer as defined in § 36B(c)(1) of the Code, or an eligible insured as defined in section 1402(b) of the Affordable Care Act.”

8. On Web page 15568, in the third column, second full paragraph, in the first sentence, remove the phrase “for that plan year”. Also, after the first sentence, add the sentence, “These costs include the costs of the OPM Office of Inspector General performing audits and investigations related to the MSPP.”

9. On Web page 15568, in the third column, third full paragraph, in the second sentence, revise “reasonable” to read “unreasonable.”

10. On Web page 15570, in the first column, revise the second full paragraph to read as follows:

“Similar to our response to comments on § 800.104, we are encouraging MSPP issuers to offer coverage in all service areas, if they have the capacity to do so. We recognize the challenges that issuers would face if they were required to offer coverage in all service areas, and we are maintaining in the final rule our proposed requirement for MSPP issuers to submit a plan for offering coverage in all service areas without initially requiring statewide coverage. We have modified the language to clarify that we will be reviewing the MSPP issuer’s plan as part of the contract negotiation process. We are also clarifying in the final rule that MSPs will be required to comply with the service area requirements applicable to all QHPs in a State. We believe this requirement will create a level playing field and prevent issuers from cherry-picking. In addition, we intend to pay special attention to whether service areas include rural

areas and American Indian/Alaska Natives during MSPP contract negotiations. We will evaluate the service area of an MSP to ensure that it has been established without regard to racial, ethnic, language, health status-related factors specified under § 2705(a) of the PHS Act, or other factors that exclude specific high-utilizing, high-cost or medically underserved populations.”

11. On Web page 15570, second column, remove the first full paragraph.

12. On Web page 15582, second column, in the first full sentence, remove the phrase “no changes” and add in its place, “one minor clarifying editorial change relating to the authority of OPM’s Office of Inspector General.”

§ 800.20 [Corrected]

■ 13. On Web page 15588, in § 800.20, revise the two instances of the word “paragraph” to read “section” in the definition of *group of issuers*.

§ 800.110 [Corrected]

■ 14. On Web page 15590, in § 800.110, add the following sentence after the third sentence: “For each State in which the MSPP issuer does not offer coverage in all service areas, the MSPP issuer must submit a plan for offering coverage throughout the State.”

§ 800.202 [Corrected]

■ 15. On Web page 15592, in § 800.202(f), revise “2702” to read “2705.”

Synopsis

As required by the Paperwork Reduction Act of 1995 (44 U.S.C. 3507), the FCC is notifying the public that it received OMB approval on March 13, 2013, for the new information collection requirements contained in the Commission's rules published at 77 FR

71131, November 29, 2012, and at 78 FR 10099, February 13, 2013.

Under 5 CFR part 1320, an agency may not conduct or sponsor a collection of information unless it displays a current, valid OMB Control Number.

No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act that does not display a current, valid OMB Control Number. The OMB Control Number is 3060-1183.

The foregoing notice is required by the Paperwork Reduction Act of 1995, Public Law 104-13, October 1, 1995, and 44 U.S.C. 3507.

The total annual reporting burdens and costs for the respondents are as follows:

OMB Control Number: 3060-1183.

OMB Approval Date: March 13, 2013.

OMB Expiration Date: March 31, 2016.

Title: Establishment of a Public Safety Answering Point Do-Not-Call Registry, CG Docket No. 12-129.

Form Number: N/A.

Type of Review: New collection.

Respondents: Businesses or other for-profit entities; Federal Government; Not-for-profit institutions; State, Local or Tribal Government.

Number of Respondents and Responses: 106,500 respondents; 1,446,333 responses.

Estimated Time per Response: 30 minutes (.50 hours) to 2 hours.

Frequency of Response: Recordkeeping requirement; Annual, monthly, on occasion and one-time reporting requirements.

Total Annual Cost: None.

Nature and Extent of Confidentiality: An assurance of confidentiality is not offered because this information collection does not require the collection of personally identifiable information (PII) from individuals.

Privacy Impact Assessment: No impact(s).

Needs and Uses: The rules adopted herein establish recordkeeping requirements for a large variety of entities, including small business entities. First, each Public Safety Answering Point (PSAP) may designate a representative who shall be required to file a certification with the administrator of the PSAP registry that they are authorized to place numbers onto that registry. The designated PSAP

representative shall provide contact information including the PSAP represented, name, title, address, telephone number and email address. Verified PSAPs shall be permitted to upload to the registry any PSAP telephone associated with the provision of emergency services or communications with other public safety agencies. On an annual basis designated PSAP representatives shall access the registry, review their numbers and remove any ineligible numbers from the registry. Second, an operator of automatic dialing equipment (OADE) is prohibited from contacting any number on the PSAP registry. Each OADE must register for access to the PSAP registry by providing contact information which includes name, business address, contact person, telephone number, email, and all outbound telephone numbers used to place autodialed calls. All such contact information must be updated within 30 days of any change. In addition, the OADE must certify that it is accessing the registry solely to prevent autodialed calls to numbers on the registry. An OADE must access and employ a version of the PSAP registry obtained from the registry administrator no more than 31 days prior to the date any call is made, and maintain record documenting this process. No person or entity may sell, rent, lease, purchase, share, or use the PSAP registry for any purpose expect to comply with our rules prohibiting contact with numbers on the registry.
