Product Cancellation Order for Certain Pesticide Registrations; Correction

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice; correction.

SUMMARY: EPA issued a notice in the **Federal Register** of November 20, 2013, and March 13, 2014, concerning receipt of requests to voluntarily cancel certain pesticide registrations and its follow-up cancellation order, respectively. In both notices, EPA inadvertently listed the pesticide product Treflan H.F.P. (EPA Reg. No. MN-100004). The registrant had previously withdrawn the requested voluntary cancellation for this product. Therefore, EPA is not cancelling the pesticide product Treflan H.F.P. (EPA Reg. No. MN-100004). This document removes the cancellation order for Treflan H.F.P. (EPA Reg. No. MN-100004) listed in both the November 20, 2013, and March 13, 2014, **Federal Register** notices.

II. What does this correction do?

EPA issued a notice in the **Federal Register** of November 20, 2013, and March 13, 2014, concerning receipt of requests to voluntarily cancel certain pesticide registrations and its follow-up cancellation order, respectively. In both notices, EPA listed the pesticide product Treflan H.F.P. (EPA Reg. No. MN-100004). However, soon after the registrant requested voluntary cancellation, the registrant notified the Agency on June 21, 2013, that it chose to withdraw the request for pesticide product Treflan H.F.P. (EPA Reg. No. MN-100004), since it had been mistakenly submitted. Therefore, EPA is not cancelling the pesticide product Treflan H.F.P. (EPA Reg. No. MN-100004). Herein this document, due to the inadvertent listing by EPA, the Agency is removing the cancellation order for Treflan H.F.P. (EPA Reg. No. MN-100004) listed in both the November 20, 2013, and March 13, 2014, **Federal Register** notices.
