If you have costs to generate, maintain, and disclose this information, you should comment and provide your total capital and startup cost components or annual operation, maintenance, and purchase of service components. You should describe the methods you use to estimate major cost factors, including system and technology acquisition, expected useful life of capital equipment, discount rate(s), and the period over which you incur costs. Generally, your estimates should not include equipment or services purchased: (i) Before October 1, 1995; (ii) to comply with requirements not associated with the information collection; (iii) for reasons other than to provide information or keep records for the Government; or (iv) as part of customary and usual business or private practices.

We will summarize written responses to this notice and address them in our ICR submission for OMB approval, including appropriate adjustments to the estimated burden. [Docket No. MMS-2008-MRM-0018]

Major Portion Prices and Due Date for Additional Royalty Payments on Indian Gas Production in Designated Areas Not Associated With an Index Zone

AGENCY: Minerals Management Service (MMS), Interior.

ACTION: Notice of major portion prices for calendar year 2006.

SUMMARY: Final regulations for valuing gas produced from Indian leases, published August 10, 1999, require MMS to determine major portion prices and notify industry by publishing the prices in the **Federal Register**. The regulations also require MMS to publish a due date for industry to pay additional royalty based on the major portion

prices. This notice provides the major portion prices for the 12 months of 2006.

DATES: The due date to pay additional royalties based on the major portion prices is June 30, 2008.

FOR FURTHER INFORMATION CONTACT: John Barder, Indian Oil and Gas Compliance and Asset Management, MMS; telephone (303) 231-3702; FAX (303) 231-3755; e-mail to John.Barder@mms.gov; or Larry Gratz, Indian Oil and Gas Compliance and Asset Management, MMS; telephone (303) 231-3427; FAX (303) 231-3755; e-mail to Larry.Gratz@mms.gov. *Mailing address:* Minerals Management Service, Minerals Revenue Management, Compliance and Asset Management, Indian Oil and Gas Compliance and Asset Management, P.O. Box 25165, MS 396B2, Denver, Colorado 80225-0165.

SUPPLEMENTARY INFORMATION: On August 10, 1999, MMS published a final rule titled "Amendments to Gas Valuation Regulations for Indian Leases," (64 FR 43506) with an effective date of January 1, 2000. The gas regulations apply to all gas production from Indian (tribal or allotted) oil and gas leases, except leases on the Osage Indian Reservation.

The rule requires that MMS publish major portion prices for each designated area not associated with an index zone for each production month beginning January 2000, along with a due date for additional royalty payments. See 30 CFR 206.174(a)(4)(ii) (2007). If additional royalties are due based on a published major portion price, the lessee must submit an amended Form MMS-2014, Report of Sales and Royalty Remittance, to MMS by the due date. If additional royalties are not paid by the due date, late payment interest, under 30 CFR 218.54, will accrue from the due date until payment is made and an amended Form MMS-2014 is received. The table below lists the major portion prices for all designated areas not associated with an index zone. The due date is 60 days after the publication date of this notice.

National Park Service

Notice of Inventory Completion: Paul H. Karshner Memorial Museum, Puyallup, WA

AGENCY: National Park Service, Interior.

ACTION: Notice.

Notice is here given in accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), 25 U.S.C. 3003, of the completion of an inventory of human remains in the possession of the Paul H. Karshner Memorial Museum, Puyallup, WA. The human remains were removed from an area of the Nez Perce Reservation, ID.

This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA, 25 U.S.C. 3003(d)(3). The determinations in this notice are the sole responsibility of the museum, institution, or Federal agency that has control of the Native American human remains. The National Park Service is not responsible for the determinations in this notice.

A detailed assessment of the human remains was made by the Paul H. Karshner Memorial Museum professional staff in consultation with representatives of the Confederated Tribes of the Colville Reservation, Washington and Nez Perce Tribe of Idaho. The U.S. Department of the Interior, Bureau of Indian Affairs does not exert control over the human remains in this notice.

In 1935, human remains representing a minimum of one individual were removed from the Nez Perce Reservation, ID. The human remains were donated by Lester Davis in 1935. It is unknown how Mr. Davis acquired the human remains. No known individual was identified. No associated funerary objects are present.

Mr. Davis was known to have collected Native American objects. This donation was one of three recorded donations found in the museum's inventory book. According to museum records, the human remains are identified as Native American. Based on museum records and donor information, the human remains are reasonably believed to be Native American.

The geographical area that the human remains were removed from was the Nez Perce Reservation. The Western Idaho area is known to be aboriginal lands for the Nez Perce Tribe of Idaho. Officials of the Paul H. Karshner Museum reasonably believe the human remains are Native American and most likely culturally affiliated with the Nez Perce Tribe of Idaho.

Officials of the Paul H. Karshner Memorial Museum have determined that, pursuant to 25 U.S.C. 3001(910), the human remains described above represent the physical remains of one individual of Native American ancestry.

Officials of the Paul H. Karshner Memorial also have determined that, pursuant to 25 U.S.C. 3001(2), there is a relationship of shared group identity that can be reasonably traced between the Native American human remains and the Nez Perce Tribe of Idaho.

Representatives of any other Indian tribe that believes it to be culturally affiliated with the human remains should contact Stephen Crowell, Paul H. Karshner Memorial Museum, 309 4th St., NE., Puyallup, WA 98372, telephone (253) 841-8748, before May 29, 2008. Repatriation of the human remains to the Nez Perce Tribe of Idaho may proceed after that date if no additional claimants come forward.

Paul H. Karshner Memorial Museum is responsible for notifying the Confederated Tribes of the Colville Reservation, Washington and Nez Perce Tribe of Idaho that this notice has been published.

Dated: March 10, 2008.

Manager, National NAGPR Program.
