Regulatory Amendment 34 to the Snapper Grouper Fishery Management Plan

The draft regulatory amendment contains proposed actions to:

Establish 30 Special Management Zones at permitted artificial reef sites in federal waters off the coast of North Carolina. Within the SMZs, harvest of snapper grouper species would be allowed with handline, rod and reel, and spear. All harvest by spear would be limited to the applicable recreational bag limit.

Establish four additional SMZs at permitted artificial reef sites in federal waters off the coast of South Carolina. Within the SMZs, harvest of snapper grouper species would only be allowed with handline, rod and reel, and spear (without powerheads) and harvest would be limited to the applicable recreational bag limit.

During the scoping meetings, Council staff will present an overview of the

draft amendment and will be available for informal discussions and to answer questions via webinar. Area Council members will be present at each of the Listening Stations. Members of the public will have an opportunity to go on record to record their comments for consideration by the Council. A public comment form will also be available online. The comment form, a copy of the Regulatory Amendment 34 Scoping Document, and additional information will be posted on the Council's website as it becomes available at: <https://safmc.net/safmc-meetings/public-hearings-scoping-meetings/>.
