**SUPPLEMENTARY INFORMATION:** The Board announces the 2025 public meeting schedule for the 10 Councils, in accordance with the Federal Advisory Committee Act (5 U.S.C. ch. 10). Established in 1993, the Councils are statutory Federal advisory committees that provide a public forum for their regions and recommendations to the Board about subsistence hunting, trapping, and fishing issues on Federal public lands in Alaska, as authorized by section 805 of the Alaska National Interest Lands Conservation Act (ANILCA; 16 U.S.C. 3111–3126).

The Councils are a crucial link between federally qualified subsistence users and the Board. The Board is a multi-agency body that includes representatives of the U.S. Fish and Wildlife Service, National Park Service, Bureau of Land Management, Bureau of Indian Affairs, and U.S. Forest Service, as well as a chair and two public members who are appointed by the Secretary of the Interior with the concurrence of the Secretary of Agriculture.

Each Council meets approximately two times per calendar year, once in the winter and once in the fall, to attend to business and develop proposals and recommendations to the Board.
