Aluminum Lithographic Printing Plates From the People's Republic of China: Postponement of Preliminary Determination in the Countervailing Duty Investigation

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

DATES: Applicable December 7, 2023.

FOR FURTHER INFORMATION CONTACT: Terre Keaton Stefanova, AD/CVD Operations Office IX, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–1280.

SUPPLEMENTARY INFORMATION:

Background

On October 18, 2023, the U.S. Department of Commerce (Commerce)

initiated a countervailing duty (CVD) investigation of imports of aluminum lithographic printing plates (printing plates) from the People's Republic of China (China).¹ Currently, the preliminary determination is due no later than December 22, 2023.

Postponement of Preliminary Determination

Section 703(b)(1) of the Tariff Act of 1930, as amended (the Act), requires Commerce to issue the preliminary determination in a CVD investigation within 65 days after the date on which Commerce initiated the investigation. However, section 703(c)(1) of the Act permits Commerce to postpone the preliminary determination until no later than 130 days after the date on which Commerce initiated the investigation if: (A) the petitioner makes a timely request for a postponement; or (B) Commerce concludes that the parties concerned are cooperating, that the investigation is extraordinarily complicated, and that additional time is necessary to make a preliminary determination. Under 19 CFR 351.205(e), the petitioner must submit a request for postponement 25 days or more before the scheduled date of the preliminary determination and must state the reasons for the request. Commerce will grant the request unless it finds compelling reasons to deny the request.

On November 27, 2023, Eastman Kodak Company (the petitioner) timely filed a request for Commerce to postpone the preliminary CVD determination.² The petitioner requested postponement of the preliminary determination because Commerce needs additional time to collect and analyze questionnaire responses from the Government of China and the mandatory respondents in this investigation, and issue supplemental questionnaires.³

In accordance with 19 CFR 351.205(e), the petitioner has stated the reasons for requesting a postponement of the preliminary determination, and Commerce finds no compelling reason to deny the request. Therefore, in accordance with section 703(c)(1)(A) of the Act, Commerce is postponing the deadline for the preliminary determination to no later than 130 days after the date on which this

investigation was initiated, *i.e.*, February 26, 2024.⁴ Pursuant to section 705(a)(1) of the Act and 19 CFR 351.210(b)(1), the deadline for the final determination of this investigation will continue to be 75 days after the date of the preliminary determination.

This notice is issued and published pursuant to section 703(c)(2) of the Act and 19 CFR 351.205(f)(1).

Dated: November 30, 2023.

Abdelali Elouaradia,

Deputy Assistant Secretary for Enforcement and Compliance.

On June 5, 2023, Commerce published the *Preliminary Results* and invited interested parties to comment.¹ This review covers two respondents: Master Nails and Pins Manufacturing, LLC/

⁴ Postponing the preliminary determination to 130 days after initiation would place the deadline on February 25, 2024, which is a Sunday. Commerce's practice dictates that, when a deadline falls on a weekend or federal holiday, the appropriate deadline is the next business day.
