Carbazole Violet Pigment 23 From India: Final Results of Antidumping Duty Administrative Review; 2022–2023

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) determines that producers/exporters subject to this review did not make sales of subject merchandise at prices below normal value. The period of review (POR) is December 1, 2022, through November 30, 2023.

DATES: Applicable January 17, 2025.

FOR FURTHER INFORMATION CONTACT: Dennis McClure or Henry Wolfe, AD/CVD Operations, Office VIII, Enforcement and Compliance,

International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-5973, and (202) 482-0574, respectively.

SUPPLEMENTARY INFORMATION:

Background

On September 13, 2024, Commerce published the *Preliminary Results* of the 2022–2023 administrative review of the antidumping duty order ¹ on carbazole violet pigment 23 (CVP-23) from India in the **Federal Register** and invited parties to comment.² We received no comments from interested parties on the *Preliminary Results*, and we have made no changes to the *Preliminary Results*. Accordingly, no decision memoranda accompany this **Federal Register** notice, and the *Preliminary Results* are hereby adopted as these final results. Commerce conducted this administrative review in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act). On December 9, 2024, Commerce tolled the deadline to issue the final results in this administrative review by 90 days.³ Accordingly, the deadline for these final results is now April 11, 2025.

Scope of the Order

The product covered by the *Order* is CVP-23, in any form. For a full description of the scope of the *Order*, see the *Preliminary Results* PDM.

Rate for Non-Selected Companies

The Act and Commerce's regulations do not directly address the establishment of a rate to be applied to individual companies not selected for examination when Commerce limits its examination in an administrative review pursuant to section 777A(c)(2) of the Act. Generally, Commerce looks to section 735(c)(5) of the Act, which provides instructions for calculating the all-others rate in a market economy investigation, for guidance when calculating the rate for companies which were not selected for individual review in an administrative review. Under section 735(c)(5)(A) of the Act, the all-others rate is normally "an amount equal to the weighted average of

the estimated weighted-average dumping margins established for exporters and producers individually investigated, excluding any zero or *de minimis* margins, and any margins determined entirely {on the basis of facts available}."

In this administrative review, we calculated weighted-average dumping margins for Meghmani Pigments/ Meghmani LLP (Meghmani) ⁴ and Navpad Pigments Pvt. Ltd. (Navpad) that are zero and we did not calculate any margins which are not zero, *de minimis*, or determined entirely on the basis of facts available. Thus, in accordance with the expected method, and consistent with the U.S. Court of Appeals for the Federal Circuit's decision in *Albemarle*,⁵ we are applying to Gharda Chemicals Ltd., which was not selected for individual review in this review, a margin of zero percent.

Final Results of Review

We determine that the following estimated weighted-average dumping margins exist for the period December 1, 2022, through November 30, 2023.

Producer and/or exporter	Weighted-average dumping margin (percent)
Gharda Chemicals Ltd.	0.00
Meghmani Pigments/Meghmani LLP	0.00
Navpad Pigments Pvt. Ltd.	0.00

Disclosure

Normally, Commerce discloses to interested parties the calculations of the final results of an administrative review within five days of any public announcement or, if there is no public announcement, within five days of the date of publication of the notice of the final results in the **Federal Register**, in accordance with 19 CFR 351.224(b). However, because we made no changes from the *Preliminary Results*, there are no new calculations to disclose.

Assessment Rates

Consistent with section 751(a)(2)(C) of the Act and 19 CFR 351.212(b), upon completion of the administrative review, Commerce shall determine, and

¹ See Notice of Amended Final Determination of Sales at Less Than Fair Value and Antidumping Duty Order: Carbazole Violet Pigment 23 from India, 69 FR 77988 (December 29, 2004) (*Order*).

² See Carbazole Violet Pigment 23 from India: Preliminary Results of Antidumping Duty Administrative Review; 2022–2023, 89 FR 74873 (September 13, 2024) (*Preliminary Results*), and accompanying Preliminary Decision Memorandum (PDM).

³ See Memorandum, "Tolling of Deadlines for Antidumping and Countervailing Duty Proceedings," dated December 9, 2024.

⁴ Commerce previously collapsed Meghmani Pigments and Meghmani LLP (collectively, Meghmani) and treated the firms as a single entity. See *Preliminary Results* PDM at 3–6.

⁵ See *Albemarle Corp. v. United States*, 821 F.3d 1345, 1352 (Fed. Cir. 2016) (*Albemarle*) (holding that Commerce may only use "other reasonable methods" if it reasonably concludes that the expected method is "not feasible" or "would not be reasonably reflective of potential dumping margins").
