SUPPLEMENTARY INFORMATION:**A. Purpose**

When it is in the best interest of the Government and when supplies and services are required by a Government contract, contracting officers may authorize contractors to use Government supply sources in performing certain contracts. Contractors placing orders under Federal Supply Schedules or Personal Property Rehabilitation Price Schedules must follow the terms of the applicable schedule. To place orders, firms will submit the initial FEDSTRIP or MILSTRIP requisitions or the Optional Form 347, a copy of the authorization to order, and a statement regarding authorization to the firm holding the schedule contract.

The information informs the schedule contractor that the ordering contractor is authorized to use this Government supply source and fills the ordering contractor's order under the terms of the Government contract.
