

acts extend the Longshore Act's coverage to certain other employees.

Pursuant to the LHWCA, injured employees shall receive compensation in an amount equal to 66–2/3 per centum of their average weekly wage. Form LS–426, Request for Earnings Information, is used by district offices to collect wage information from injured workers to assure payment of compensation benefits to injured workers at the proper rate. This information is needed for determination of compensation benefits in accordance with section 10 of the LHWCA. This information collection is currently approved for use through January 31, 2022.

Legal authority for this information collection is found at 33 U.S.C. 910.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB under the PRA approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6.

Interested parties are encouraged to provide comments to the contact shown in the **ADDRESSES** section. Written comments will receive consideration, and summarized and included in the request for OMB approval of the final ICR. In order to help ensure appropriate consideration, comments should mention OMB No. 1240–0025.

Submitted comments will also be a matter of public record for this ICR and posted on the internet, without redaction. The DOL encourages commenters not to include personally identifiable information, confidential business data, or other sensitive statements/information in any comments.

The DOL is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility.
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used.
- Enhance the quality, utility, and clarity of the information to be collected; and

- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

DEPARTMENT OF LABOR

Office of Workers' Compensation Programs

Agency Information Collection Activities; Comment Request; Notice of Termination, Suspension, Reduction, or Increase in Benefit Payments (CM–908)

AGENCY: Division of Coal Mine Workers' Compensation, Office of Workers' Compensation Program, Labor.

ACTION: Notice.

SUMMARY: The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA).

DATES: Consideration will be given to all written comments received by August 23, 2021.

ADDRESSES: A copy of this ICR with applicable supporting documentation; including a description of the likely respondents, proposed frequency of response, and estimated total burden may be obtained free by contacting Anjanette Suggs by telephone at 202–354–9660 or by email at suggs.anjanette@dol.gov.

Submit written comments about, or requests for a copy of, this ICR by mail or courier to the U.S. Department of Labor, Office of Workers' Compensation Programs, Room S3323, and 200 Constitution Avenue NW, Washington, DC 20210; by email: suggs.anjanette@dol.gov.

Anjanette Suggs by telephone at 202–354–9660 or by email at suggs.anjanette@dol.gov.

SUPPLEMENTARY INFORMATION: The DOL, as part of continuing efforts to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and Federal agencies an opportunity to comment on proposed and/or continuing collections of information before submitting them to the OMB for final approval. This program helps to ensure requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements can be properly assessed.

This ICR seeks approval under the PRA for an extension of an existing collection titled Notice of Termination, Suspension, Reduction, or Increase in Benefit Payments. Coal mine operators, their representatives, or their insurers who have been identified as responsible for paying benefits under the Black Lung Benefits Act (BLBA), 30 U.S.C. 901 *et seq.*, to an eligible miner or an eligible surviving dependent of the miner are called Responsible Operators (RO's). RO's that pay benefits are required to report any change in the benefit amount to the Department of Labor (DOL). The CM 908, when completed and sent to DOL, notifies DOL of the change in the beneficiary's benefit amount and the reason for the change. This information collection is required under the BLBA and 20 CFR 725.621.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB under the PRA approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other

provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6.

Interested parties are encouraged to provide comments to the contact shown in the **ADDRESSES** section. Written comments will receive consideration, and summarized and included in the request for OMB approval of the final ICR. To help ensure appropriate consideration, comments should mention 1240–0030.

Submitted comments will also be a matter of public record for this ICR and posted on the internet, without redaction. The DOL encourages commenters not to include personally identifiable information, confidential business data, or other sensitive statements/information in any comments.

LIBRARY OF CONGRESS

Copyright Royalty Board

[Docket No. 20–CRB–0009–SD (2019)]

Distribution of 2019 Satellite Royalty Funds

AGENCY: Copyright Royalty Board, Library of Congress.

ACTION: Notice requesting comments.

SUMMARY: The Copyright Royalty Judges solicit comments on a motion of Allocation Phase claimants for partial distribution of 2019 satellite royalty funds.

DATES: Comments are due on or before July 26, 2021.

ADDRESSES: Interested claimants must submit timely comments using eCRB, the Copyright Royalty Board's online electronic filing application, at <https://app.crb.gov>.

Instructions: All submissions must include a reference to the CRB and docket number 20–CRB–0009–SD (2019). All submissions will be posted without change to eCRB at <https://app.crb.gov> including any personal information provided.

Docket: For access to the docket to read submitted background documents or comments, go to eCRB, the Copyright Royalty Board's online electronic filing and case management system, at <https://app.crb.gov> and search for docket No. 20–CRB–0009–SD (2019).

FOR FURTHER INFORMATION CONTACT:

Anita Blaine, CRB Program Specialist, by telephone at (202) 707–7658 or email at crb@loc.gov.

SUPPLEMENTARY INFORMATION: Each year satellite providers must submit royalty payments to the Register of Copyrights as required by the statutory license set forth in section 119 of the Copyright Act for the retransmission to satellite subscribers of over-the-air television broadcast signals. See 17 U.S.C. 119(b). The Copyright Royalty Judges (Judges) oversee distribution of royalties to copyright owners whose works were included in a qualifying transmission and who timely filed a claim for royalties.

Allocation of the royalties collected occurs in one of two ways. In the first instance, the Judges may authorize distribution in accordance with a negotiated settlement among all claiming parties. 17 U.S.C. 119(b)(5)(A), 801(b)(3)(A). If all claimants do not reach an agreement with respect to the royalties, the Judges must conduct a proceeding to determine the distribution of any royalties that remain in controversy. 17 U.S.C. 119(b)(5)(B), 801(b)(3)(B). Alternatively, the Judges may, on motion of claimants and on notice to all interested parties, authorize a partial distribution of royalties, reserving on deposit sufficient funds to resolve identified disputes. 17 U.S.C. 119(b)(5)(C), 801(b)(3)(C).

On June 10, 2021, representatives of all the Allocation Phase (formerly “Phase I”) claimant categories¹ filed with the Judges a motion requesting a partial distribution amounting to 40% of the 2019 satellite royalty funds on deposit pursuant to section 801(b)(3)(C) of the Copyright Act. That statutory section requires that, before ruling on the motion, the Judges publish a notice in the **Federal Register** seeking responses to the motion for partial distribution to ascertain whether any claimant entitled to receive the subject royalties has a reasonable objection to the requested distribution. 17 U.S.C. 801(b)(3)(C).

Accordingly, this notice seeks comments from interested claimants on whether any reasonable objection exists that would preclude the distribution of 40% of the 2019 satellite royalty funds to the Allocation Phase Claimants. Parties objecting to the proposed partial distribution must advise the Judges of the existence and extent of all their objections by the end of the comment period. The Judges will not consider any objections with respect to the partial distribution motion that come to their attention after the close of the comment period.

Members of the public may read the motion by accessing the Copyright Royalty Board's electronic filing and case management system at <https://app.crb.gov> and searching for Docket No. 20–CRB–0009–SD (2019).

¹ The representatives are Program Suppliers; Joint Sports Claimants; Commercial Television Claimants Group; Devotional Claimants; Broadcast Music, Inc.; American Society of Composers, Authors and Publishers; and SESAC, Inc., which represent traditionally recognized claimant categories. The Judges have not determined, and do not by this notice determine, the universe of claimant categories for 2019 satellite retransmission royalties.
