PENSION BENEFIT GUARANTY CORPORATION

Proposed Submission of Information Collection for OMB Review; Comment Request; Disclosure to Participants

AGENCY: Pension Benefit Guaranty Corporation.

ACTION: Notice of intention to request extension of OMB approval.

SUMMARY: The Pension Benefit Guaranty Corporation ("PBGC") intends to request that the Office of Management and Budget ("OMB") extend approval, under the Paperwork Reduction Act, of the collection of information under its regulation on Disclosure to Participants, 29 CFR part 4011 (OMB control number 1212-0050; expires November 30, 2004). This notice informs the public of the PBGC's intent and solicits public comment on the collection of information.

DATES: Comments should be submitted by October 19, 2004.

The PBGC will make all comments available on its Web site, <http://www.pbgc.gov>.

SUPPLEMENTARY INFORMATION: Section 4011 of the Employee Retirement Income Security Act of 1974 requires plan administrators of certain underfunded single-employer pension plans to provide an annual notice to

plan participants and beneficiaries of the plan's funding status and the limits on the PBGC's guarantee.

The PBGC's regulation implementing this provision (29 CFR part 4011) prescribes which plans are subject to the notice requirement, who is entitled to receive the notice, and the time, form, and manner of issuance of the notice. The notice provides recipients with meaningful, understandable, and timely information that will help them become better informed about their plans and assist them in their financial planning.

The collection of information under the regulation has been approved by OMB under control number 1212-0050 through November 30, 2004. The PBGC intends to request that OMB extend its approval for another three years. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The PBGC estimates that an average of 3,917 plans per year will respond to this collection of information. The PBGC further estimates that the average annual burden of this collection of information is 2.15 hours and \$148 per plan, with an average total annual burden of 8,428 hours and \$579,425.

The PBGC is soliciting public comments to—

- Evaluate whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Issued in Washington, DC, this 17th day of August, 2004.

Stuart A. Sirkin,

Director, Corporate Policy and Research Department, Pension Benefit Guaranty Corporation.
