

W, thence west to latitude 39°14'59.4" N, longitude 076°26'39.4" W, thence north to the point of origin.

(3) *Buffer area.* The buffer area is a polygon in shape measuring approximately 300 feet in all directions surrounding the entire course area described in the preceding paragraph of this section. The area is bounded by a line commencing at position latitude 39°16'56.2" N, longitude 076°26'57.7" W, thence east to latitude 39°16'57.7" N, longitude 076°26'43.7" W, thence south to latitude 39°14'59.0" N, longitude 076°26'29.7" W, thence west to latitude 39°14'55.8" N, longitude 076°26'42.7" W, thence north to the point of origin.

(4) *Spectator area.* The designated spectator area is a polygon in shape measuring approximately 1,000 yards in length by 500 feet in width. The area is bounded by a line commencing at position latitude 39°16'33.7" N, longitude 076°26'40.7" W, thence east to latitude 39°16'34.5" N, longitude 076°26'34.7" W, thence south to latitude 39°16'05.0" N, longitude 076°26'31.1" W, thence west to latitude 39°16'04.4" N, longitude 076°26'37.4" W, thence north to the point of origin.

(b) *Definitions.* As used in this section—

Buffer area is a neutral area that surrounds the perimeter of the Course Area within the regulated area described by this section. The purpose of a buffer area is to minimize potential collision conflicts with marine event participants or high-speed power boats and spectator vessels or nearby transiting vessels. This area provides separation between a Course Area and a specified Spectator Area or other vessels that are operating in the vicinity of the regulated area established by the special local regulations.

Captain of the Port (COTP) Maryland-National Capital Region means the Commander, U.S. Coast Guard Sector Maryland-National Capital Region or any Coast Guard commissioned, warrant or petty officer who has been authorized by the COTP to act on his behalf.

Course area is an area described by a line bound by coordinates provided in latitude and longitude that outlines the boundary of a course area within the regulated area defined by this section.

Event Patrol Commander or Event PATCOM means a commissioned, warrant, or petty officer of the U.S. Coast Guard who has been designated by the Commander, Coast Guard Sector Maryland-National Capital Region.

Official Patrol means any vessel assigned or approved by Commander, Coast Guard Sector Maryland-National Capital Region with a commissioned,

warrant, or petty officer on board and displaying a Coast Guard ensign.

Participant means all persons and vessels registered with the event sponsor as participating in the "1st Annual Shootout on the River" speed runs event, or otherwise designated by the event sponsor as having a function tied to the event.

Spectator means a person or vessel not registered with the event sponsor as participants or assigned as official patrols.

Spectator area is an area described by a line bound by coordinates provided in latitude and longitude that outlines the boundary of a spectator area within the regulated area defined by this part.

(c) *Special local regulations.* (1) The COTP Maryland-National Capital Region or Event PATCOM may forbid and control the movement of all vessels and persons, including event participants, in the regulated area. When hailed or signaled by an official patrol, a vessel or person in the regulated area shall immediately comply with the directions given by the patrol. Failure to do so may result in the Coast Guard expelling the person or vessel from the area, issuing a citation for failure to comply, or both. The COTP Maryland-National Capital Region or Event PATCOM may terminate the event, or a participant's operations at any time the COTP Maryland-National Capital Region or Event PATCOM believes it necessary to do so for the protection of life or property.

(2) Except for participants and vessels already at berth, a person or vessel within the regulated area at the start of enforcement of this section must immediately depart the regulated area.

(3) A spectator must contact the Event PATCOM to request permission to either enter or pass through the regulated area. The Event PATCOM, and official patrol vessels enforcing this regulated area, can be contacted on marine band radio VHF-FM channel 16 (156.8 MHz) and channel 22A (157.1 MHz). If permission is granted, the spectator must enter the designated Spectator Area or pass directly through the regulated area as instructed by Event PATCOM. A vessel within the regulated area must operate at safe speed that minimizes wake. A spectator vessel must not loiter within the navigable channel while within the regulated area.

(4) Only participant vessels and official patrol vessels are allowed to enter the course area.

(5) A person or vessel that desires to transit, moor, or anchor within the regulated area must obtain authorization from the COTP Maryland-National Capital Region or Event PATCOM. A

person or vessel seeking such permission can contact the COTP Maryland-National Capital Region at telephone number 410-576-2693 or on Marine Band Radio, VHF-FM channel 16 (156.8 MHz) or the Event PATCOM on Marine Band Radio, VHF-FM channel 16 (156.8 MHz).

(6) The Coast Guard will publish a notice in the Fifth Coast Guard District Local Notice to Mariners and issue a marine information broadcast on VHF-FM marine band radio announcing specific event dates and times.

(d) *Enforcement officials.* The Coast Guard may be assisted with marine event patrol and enforcement of the regulated area by other federal, state, and local agencies.

(e) *Enforcement period.* This section will be enforced from 9 a.m. to 6 p.m. on July 10, 2021, and from 9 a.m. to 6 p.m. on July 11, 2021.

Dated: June 30, 2021.

David E. O'Connell,

Captain, U.S. Coast Guard, Captain of the Port Maryland-National Capital Region.

BILLING CODE 9110-04-P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 117

[Docket No. USCG-2021-0336]

Drawbridge Operation Regulation; Fox River, Oshkosh, WI

AGENCY: Coast Guard, DHS.

ACTION: Notice of temporary deviation from regulations; request for comments.

SUMMARY: The Coast Guard has issued a temporary deviation from the operating schedule that governs the Main Street Bridge, mile 55.97, the Jackson Street Bridge, mile 56.22, the Wisconsin Street Bridge, mile 56.72, the Congress Avenue Bridge, mile 58.01, all over the Fox River at Oshkosh, Wisconsin. This deviation will test the remote operations at each bridge with a drawtender in attendance to supervise each remote opening. The Coast Guard is seeking comments from the public regarding these proposed changes.

DATES: This deviation is effective from midnight on June 30, 2021, through midnight on October 7, 2021. Comments and relate material must reach the Coast Guard on or before November 1, 2021.

ADDRESSES: You may submit comments identified by docket number USCG-2021-0336 using Federal eRulemaking Portal at <https://www.regulations.gov>.

See the “Public Participation and Request for Comments” portion of the **SUPPLEMENTARY INFORMATION** section below for instructions on submitting comments.

FOR FURTHER INFORMATION CONTACT: If you have questions on this test deviation, call or email: Mr. Lee D. Soule, Bridge Management Specialist, Ninth Coast Guard District; telephone 216–902–6085, email Lee.D.Soule@uscg.mil.

SUPPLEMENTARY INFORMATION: This portion of the Fox River at Oshkosh flows from Lake Butte Des Morts to Lake Winnebago, passing through five bridges. The first four bridges are highway bridges: Main Street Bridge, mile 55.97, the Jackson Street Bridge, mile 56.22, the Wisconsin Street Bridge, mile 56.72, the Congress Avenue Bridge, mile 58.01, and the fifth bridge is a single leaf bascule bridge that has been operating remotely successfully for over one year. Because of the success at the railroad bridge, we are considering allowing the other four bridges to operate remotely. During the summer, one hundred recreational vessels pass through these bridges on a daily average.

I. Background, Purpose and Legal Basis

The Main Street Bridge, mile 55.97, provides a horizontal clearance of 89 feet and a vertical clearance 11 feet in the closed position, the Jackson Street Bridge, mile 56.22, provides a horizontal clearance of 97 feet and a vertical clearance 11 feet in the closed position, the Wisconsin Street Bridge, mile 56.72, provides a horizontal clearance of 75 feet and a vertical clearance 12 feet in the closed position, and the Congress Avenue Bridge, mile 58.01, provides a horizontal clearance of 75 feet and a vertical clearance 13 feet in the closed position. All of these bridges are over the Fox River and provide an unlimited clearance in the open position, and are governed by the regulations found in 33 CFR 117.1087.

The Wisconsin Department of Transportation has requested to test the capabilities of the remote operating system with live operators in the bridges and allow the public to comment on the bridge operations before any changes are made.

This deviation will not change the operation of the bridges. The Wisconsin Department of Transportation will provide weekly bridge opening data and approximate vehicle and pedestrian crossings at the end of the test deviation. Each bridge will have the ability to communicate by visual or audio means including enough cameras

to see above and below the bridge, including night vision cameras to monitor approaching river traffic in adverse weather conditions.

The Coast Guard will also inform the users of the waterways through our Local Notice to Mariners when the comment period opens and how to leave comments.

II. Public Participation and Request for Comments

We view public participation as essential to effective rulemaking, and will consider all comments and material received during the comment period. Your comment can help shape the outcome of this rulemaking. If you submit a comment, please include the docket number for this rulemaking, indicate the specific section of this document to which each comment applies, and provide a reason for each suggestion or recommendation.

We encourage you to submit comments through the Federal eRulemaking Portal at <https://www.regulations.gov>. If your material cannot be submitted using <https://www.regulations.gov>, contact the person in the **FOR FURTHER INFORMATION CONTACT** section of this document for alternate instructions.

We accept anonymous comments. All comments received will be posted without change to <https://www.regulations.gov> and will include any personal information you have provided. For more about privacy and submissions in response to this document, see DHS’s eRulemaking System of Records notice (85 FR 14226, March 11, 2020).

Documents mentioned in this NPRM as being available in this docket and all public comments, will be in our online docket at <https://www.regulations.gov> and can be viewed by following that website’s instructions. Additionally, if you go to the online docket and sign up for email alerts, you will be notified when comments are posted or a final rule is published.

M.J. Johnston,

Rear Admiral, U.S. Coast Guard, Commander, Ninth Coast Guard District.

BILLING CODE 9110–04–P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[Docket No. USCG–2021–0489]

Safety Zones; Annual Events in the Captain of the Port Buffalo Zone

AGENCY: Coast Guard, DHS.

ACTION: Notice of enforcement of regulation.

SUMMARY: The Coast Guard will enforce a safety zone located in Federal regulations for a recurring marine event. This action is necessary and intended for the safety of life and property on navigable waters during this event. During the enforcement period, no person or vessel may enter the respective safety zone without the permission of the Captain of the Port Buffalo.

DATES: The regulations listed in 33 CFR 165.939 as listed in Table 165.939(b)(10) will be enforced from 9:45 p.m. through 10:45 p.m. on July 9, 2021.

FOR FURTHER INFORMATION CONTACT: If you have questions about this notice of enforcement, call or email MST2 Natalie Smith, Waterways Management Division, U.S. Coast Guard Marine Safety Unit Cleveland; telephone 216–937–6004, email D09-SMB-MSUCLEVELAND-WWM@uscg.mil.

SUPPLEMENTARY INFORMATION: The Coast Guard will enforce the Safety Zones; Annual Events in the Captain of the Port Buffalo Zone listed in 33 CFR 165.939, Table 165.939(b)(10) for the Sheffield Lake Community Days in Sheffield Lake, OH, on all U.S. waters of Lake Erie and Sheffield Lake Boat ramp within a 350 foot radius of land position 41°29′27.65″ N, 082°6′47.71″ W. Pursuant to 33 CFR 165.23, entry into, transiting, or anchoring within the safety zone during an enforcement period is prohibited unless authorized by the Captain of the Port Buffalo or a designated representative. Those seeking permission to enter the safety zone may request permission from the Captain of Port Buffalo via channel 16, VHF–FM. Vessels and persons granted permission to enter the safety zone shall obey the directions of the Captain of the Port Buffalo or a designated representative. While within a safety zone, all vessels shall operate at the minimum speed necessary to maintain a safe course.

This notice of enforcement is issued under authority of 33 CFR 165.939 and 5 U.S.C. 552 (a). In addition to this
