Analysis of Proposed Consent Order To Aid Public Comment

The Federal Trade Commission (“Commission”) has accepted, subject to final approval, an agreement containing a consent order as to Google LLC (“Google” or “respondent”). The proposed consent order (“order”) has been placed on the public record for 30

days for receipt of comments by interested persons. Comments received during this period will become part of the public record. After 30 days, the Commission will again review the order and the comments received and will decide whether it should withdraw the order or make it final.

This matter involves Google's practices with respect to advertising for its Pixel 4 smartphone (the "Pixel 4"). The complaint alleges that Google wrote, recorded, and disseminated first-person endorsements for the Pixel 4 by local radio personalities in several states. The complaint further alleges that, in the advertising, the respondent represented that the radio personalities owned or regularly used the Pixel 4, and had used it to take pictures at night, when the radio personalities did not own or regularly use the phone and had not used it to take pictures at night. The complaint alleges Google's representations were false and misleading, and violated section 5(a) of the FTC Act.

The order includes injunctive relief that prohibits the alleged violations and fences in similar and related conduct for any Covered Product. Covered Product is defined as any: (i) Respondent consumer electronic product; (ii) any Respondent operating system for handheld devices; and (iii) any Respondent operating system or consumer-facing feature when marketed as part of any consumer electronic product.

Part I prohibits misrepresenting that an endorser has owned or used any Covered Product or about an endorser's experience with any Covered Product. Part II requires the respondent to cooperate in any Commission investigation or case related to the conduct that is the subject of the complaint. Part III requires the respondent to distribute the order to certain persons and submit signed acknowledgments of order receipt.

Part IV requires the respondent to file compliance reports with the Commission, and to notify the Commission of changes in corporate structure that might affect compliance obligations. Part V contains recordkeeping requirements for certain accounting records, personnel records, consumer complaints, training materials, and advertising and marketing materials, and all records necessary to demonstrate compliance with the order. Part VI contains other requirements related to the Commission's monitoring of the respondent's order compliance.

Part VII provides the effective dates of the order, including that, with

exceptions, the order will terminate in 20 years.

The purpose of this analysis is to facilitate public comment on the order, and it is not intended to constitute an official interpretation of the complaint or order, or to modify the order's terms in any way.

By direction of the Commission.

April J. Tabor,

Secretary.

OFFICE OF GOVERNMENT ETHICS

Potential Improvements to the OGE Form 278e (Executive Branch Personnel Public Financial Disclosure Report) and the OGE Form 450 (Executive Branch Confidential Financial Disclosure Report)

AGENCY: Office of Government Ethics (OGE).

ACTION: Notice of public meeting.

SUMMARY: The U.S. Office of Government Ethics (OGE) is hosting a public meeting to obtain input from interested parties regarding potential improvements to the OGE Form 278e and the OGE Form 450 as part of a form revision planning process that will precede the next requested renewal of these forms under the Paperwork Reduction Act. The next scheduled renewal is in 2024; however, OGE may decide to make changes earlier.

DATES:

Public Meeting Date: The public meeting will be held on January 19, 2023, from 11 a.m. to 12 p.m., eastern time.

Registration: By close of business on January 17, 2023.

Written Comment Period Dates:

Written comments must be received by January 6, 2023. Information on how to register for this meeting and to submit a written comment may be found in the **SUPPLEMENTARY INFORMATION** section of this notice.

ADDRESSES: The public meeting will be held via Cisco Webex Meetings.

FOR FURTHER INFORMATION CONTACT: Jody Keegan; Program Analyst, General Counsel and Legal Policy Division, Office of Government Ethics, Suite 500, 1201 New York Avenue NW, Washington, DC 20005-3917; Telephone: (202) 482-9300; TTY: (800) 877-8339.

SUPPLEMENTARY INFORMATION: In accordance with the Paperwork Reduction Act of 1995, 44 U.S.C. 3501-3520, and the Ethics in Government Act

(EIGA), 5 U.S.C. app. section 102, as amended, OGE is seeking feedback on the OGE Form 278e and the OGE Form 450. On July 13, 2022 and July 20, 2022, OGE held listening sessions to seek agency input on issues specifically related to potential language and formatting changes to the OGE Form 278e and the OGE Form 450. OGE is now inviting all interested members of the public to share ideas, provide information, and express concerns about potential changes to the forms. This meeting will both allow interested groups to hear and respond to the concerns of other affected persons and allow OGE to further develop its understanding of the views of various constituencies. The goal of these meetings is to exchange ideas rather than come to a consensus.

Commenters may make any suggestions that they believe will improve the OGE Form 278e or the OGE Form 450. However, the public financial disclosure requirements are dictated by the Ethics in Government Act (EIGA), 5 U.S.C. app. section 102, as amended, and OGE's regulations at 5 CFR part 2634. OGE will be unable to consider any suggested change that would require a statutory change or regulatory change in this form revision cycle. Additionally, when considering suggested changes, OGE will consider any potential cost burden, particularly if the change will require reprogramming of agency or Government-wide electronic filing systems. Generally, text changes within the instructions impose substantially fewer costs than changes to the look or order of the data entry grids. Commenters should consider and explain how the changes they are proposing provide concrete benefits, such as easier identification of potential conflicts of interest or ease of use of the forms.

To facilitate discussion at the public meeting, OGE welcomes input on issues related to suggested changes to the OGE Form 278e and the OGE Form 450 including, but not limited to, the following topics on which OGE has previously received comments:

Potential Areas for Comment on the OGE Form 278e

The OGE Form 278e includes certain general information fields on the first page, such as the filer's name and position.
