## OFFICE OF NATIONAL DRUG CONTROL POLICY

### Designation of Two (2) High Intensity Drug Trafficking Areas

**ACTION:** Notice.

**SUMMARY:** This notice lists two (2) new  
High Intensity Drug Trafficking Areas  
(HIDTAs) designated by the Director of  
National Drug Control Policy (ONDCP).  
The newly designated HIDTAs are the  
Nevada HIDTA consisting of Clark  
County and the North Florida HIDTA  
consisting of Baker, Clay, Duval, Flagler,  
Nassau, Putnam, St. Johns and Marion

Counties. These new HIDTAs are  
designated pursuant to 21 U.S.C.  
1706(b), to promote more effective  
coordination of drug control efforts. In  
considering whether to designate an  
area under this section as a high  
intensity drug trafficking area, the  
Director considered, in addition to such  
other criteria the Director considers to  
be appropriate, the extent to which: (1)  
The area is center of illegal drug  
production, manufacturing, importation,  
or distribution; (2) state and local law  
enforcement agencies have committed  
resources to respond to the drug  
trafficking problem in the area, thereby  
indicating a determination to respond  
aggressively to the problem; (3) drug-  
related activities in the area are having  
a harmful impact in other areas of the  
country; and (4) a significant increase in  
allocation of Federal resources is  
necessary to respond adequately to  
drug-related activities in the area.

This action will support local, state  
and Federal law enforcement officers in  
assessing regional drug threats,  
designing strategies to combat the  
threats, developing initiatives to  
implement the strategies, and evaluating  
the effectiveness of their coordinated  
efforts.

Comments and questions regarding this  
notice should be directed to Mr. Kurt F.  
Schmid, National HIDTA Director,  
Office of National Drug Control Policy,  
Executive Office of the President,  
Washington, DC 20503; (202) 395-6692.

**SUPPLEMENTARY INFORMATION:** In Fiscal  
Year 2000, 1242 agencies participated in  
462 HIDTA-funded initiatives within  
the 26 previously designated HIDTA  
regions throughout the country. The  
HIDTA Programs strengthens local, state  
and Federal drug trafficking and money  
laundering task forces, bolsters drug  
enforcement information networks, and  
improves integration of law  
enforcement, drug treatment and drug  
abuse prevention programs, where  
appropriate.

Signed at Washington, DC this 9th day of  
March, 2001.

## FEDERAL EMERGENCY MANAGEMENT AGENCY

### Agency Information Collection Activities: Proposed Collection; Comment Request

**ACTION:** Notice and request for  
comments.

**SUMMARY:** The Federal Emergency  
Management Agency, as part of its  
continuing effort to reduce paperwork  
and respondent burden, invites the  
general public and other Federal  
agencies to take this opportunity to  
comment on the proposed collection of  
information. In accordance with the  
Paperwork Reduction Act of 1995 (44  
U.S.C. 3506(c)(2)(A)), this notice seeks  
comments concerning the Capability  
Assessment for Readiness (CAR) which  
collects data on the capabilities of States  
to effectively respond to major disasters  
and emergencies.

**SUPPLEMENTARY INFORMATION:** The CAR  
program was established based on the  
requirement recognized by both the U.S.  
Congress and FEMA that an assessment  
of State capabilities was needed to  
determine the States' readiness to  
effectively respond to major disasters,  
and secondarily that FEMA financial  
assistance to the States is being  
effectively utilized. The answers to  
these questions are provided in the CAR  
assessment that involves detailed  
programmatic questions on mitigation,  
preparedness, response, and recovery  
activities.

Section 313 of the Robert T. Stafford  
Disaster Relief and Emergency  
Assistance Act (Public Law 93-288, as  
amended) requires the President to  
"conduct annual reviews of activities of  
Federal agencies and State and local  
governments in major disaster and  
emergency preparedness and in  
providing major disaster and emergency  
assistance in order to assure maximum  
coordination and effectiveness of such  
programs. \* \* \*

Section 613 of the Stafford Act  
concerning financial contributions to  
States for necessary and essential State  
and local emergency preparedness  
personnel and administrative expenses  
provides that the State "shall make such  
reports in such form and content as the  
Director may require."
