#### SUPPLEMENTARY INFORMATION:

##### Background

Pursuant to Internal Revenue Code (IRC) section 7526, the IRS will annually award up to \$6,000,000 (unless otherwise provided by specific Congressional appropriation) to qualified organizations, subject to the limitations set forth in the statute. Grants may be awarded for the development, expansion, or continuation of low-income taxpayer clinics. For calendar year 2021, Congress appropriated a total of \$13,000,000 in federal funds for LITC matching grants. See Public Law 116–260, (H.R. 133, Consolidated Appropriations Act, 2021).

A qualified organization may receive a matching grant of up to \$100,000 per year. A qualified organization is one that represents low-income taxpayers in controversies with the IRS and informs individuals for whom English is a second language (ESL taxpayers) of their taxpayer rights and responsibilities, and does not charge more than a nominal fee for its services (except for reimbursement of actual costs incurred).

Examples of a qualified organization include (1) a clinical program at an accredited law, business, or accounting school whose students represent low-income taxpayers in tax controversies with the IRS and (2) an organization exempt from tax under IRC section 501(a) whose employees and volunteers represent low-income taxpayers in controversies with the IRS and may also make referrals to qualified volunteers to provide representation. A clinic will be treated as representing low-income taxpayers in controversies with the IRS if at least 90 percent of the taxpayers represented by the clinic have incomes that do not exceed 250 percent of the federal poverty level, taking into account geographic location and family size. Federal poverty guidelines are published annually in the **Federal Register**. See, for example, 86 FR 7732 (Feb. 01, 2021).

In addition, the amount in controversy for the tax year to which the controversy relates generally cannot exceed the amount specified in IRC section 7463 (currently \$50,000) for eligibility for special small tax case procedures in the United States Tax Court. Grant funds may be awarded for start-up expenditures incurred by new clinics during the grant year. IRC section 7526(c)(5) requires dollar-for-dollar matching funds.

##### Mission Statement

Low Income Taxpayer Clinics ensure the fairness and integrity of the tax system for taxpayers who are low-income or speak English as a second language by providing *pro bono* representation on their behalf in tax disputes with the IRS, educating them about their rights and responsibilities as taxpayers, and identifying and advocating for issues that impact them.

##### Selection Consideration

Despite the IRS's efforts to foster parity in availability and accessibility in the selection of organizations receiving LITC matching grants and the continued increase in clinic services nationwide, there remain communities that are underrepresented by clinics. Although each supplemental application for the 2021 grant year will be given due
