II .....	Removal of Regulations Relating to Telegraphic Communication .....	2015–035	Francis.
III .....	Technical Amendments.		

**SUPPLEMENTARY INFORMATION:**Summaries for each FAR rule follow.  
For the actual revisions and/or  
amendments made by these rules, refer  
to the specific item numbers and  
subjects set forth in the documents  
following these item summaries. FAC  
2005–92 amends the FAR as follows:**Item I—Public Disclosure of  
Greenhouse Gas Emissions and  
Reduction Goals—Representation (FAR  
Case 2015–024)**

This final rule amends the FAR to  
establish an annual representation  
requirement to indicate whether or not  
and where contractors publicly disclose  
greenhouse gas emissions and  
greenhouse gas emission reduction goals  
or targets. This representation is  
optional for contractors that received  
less than \$7.5 million in contract  
awards from the Government during the  
previous Federal fiscal year. The  
information obtained from these  
representations will assist agencies in  
developing strategies to engage with  
contractors to reduce supply chain  
emissions, as directed in the Executive  
Order 13693, Planning for Federal  
Sustainability in the Next Decade.

**Item II—Removal of Regulations  
Relating to Telegraphic Communication  
(FAR Case 2015–035)**

This rule amends the FAR to delete  
the use of “telegram,” “telegraph,” and  
related terms. The objective is to delete  
reference to obsolete technologies no  
longer in use and replace with

references to electronic  
communications. In addition,  
conforming changes are made covering  
expedited notice of termination and  
change orders.

The rule is not anticipated to have a  
significant economic impact on small  
business entities, as the rule provides  
recognition of current options for  
transmitting documents between the  
Government and contractors. The rule  
also revises the means of disseminating  
contract termination documents  
between the Government and  
contractors; however, this change only  
affects the Government’s responsibility  
for transmitting termination notices.
