

AutoEx for the purpose of increasing the revenue of the Exchange and adequately funding its regulatory and general business functions. The proposed modifications are reasonable and equitably allocated to those ETP Holders that opt to provide Tape A and C Displayed Orders in AutoEx, and are not discriminatory because ETP Holders are free to elect whether or not to send such orders. Based upon the information above, the Exchange believes that the proposed rule change is consistent with the protection of investors and the public interest.

Operative Date and Notice

The Exchange intends to utilize the proposed calculation effective upon filing of this proposed rule as it performs the calculations to determine the May, 2009 AutoEx Displayed Order Liquidity Adding Tape A/C Rebates.⁵ Pursuant to Exchange Rule 16.1(c), the Exchange will “provide ETP Holders with notice of all relevant dues, fees, assessments and charges of the Exchange” through the issuance of a Regulatory Circular of the changes to the Fee Schedule and will post a copy of the rule filing on the Exchange’s Web site (<http://www.nsx.com>).

Statutory Basis

The Exchange believes that the proposed rule change is consistent with the provisions of Section 6(b) of the Act,⁶ in general, and Section 6(b)(4) of the Act,⁷ in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees and other charges among its members and other persons using the facilities of the Exchange. Moreover, the proposed fee and rebate structure is not discriminatory in that all ETP Holders are eligible to submit (or not submit) liquidity adding trades and quotes, and may do so at their discretion in the daily volumes they choose during the course of the measurement period.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any inappropriate burden on competition.

⁵ The Exchange has determined that its application of the proposed modification of the calculation of average daily volume as it applies to the entire current calendar month could only benefit ETP Holders by serving to increase the amount of their AutoEx Displayed Order Liquidity Adding Tape A/C Rebate for such month. In addition, the Exchange has determined that such application will not adversely impact the general operating revenues of the Exchange.

⁷ 15 U.S.C. 78f(b)(4).

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The proposed rule change has taken effect upon filing pursuant to Section 19(b)(3)(A)(ii) of the Act⁸ and subparagraph (f)(2) of Rule 19b-4⁹ thereunder, because, as provided in (f)(2), it changes “a due, fee or other charge applicable only to a member” (known on the Exchange as an ETP Holder). At any time within sixty (60) days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend, effective immediately, the fees charged for the Floor Member Continuing Education Program for qualified Floor members pursuant to NYSE Rule 103A, from a fixed flat \$50 fee per training module, to an \$80 flat fee per training module. The text of the proposed rule change is available at the Exchange, the Commission's Public Reference Room, and <http://www.nyse.com>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

As required by NYSE Rule 103A, the Exchange provides Floor members with a mandatory continuing education program, known as the Floor Member Continuing Education Program ("FMCE Program"). The Exchange proposes to amend, effective immediately, the fees charged for the Floor Member Continuing Education Program for qualified Floor members. Currently, members pay a fee of \$50 per training module. The Exchange is proposing to increase the fee to \$80 per training module for 2009.

Members must complete all Exchange-mandated FMCE programs. As originally offered, the program consisted of live and video-taped lectures. Subsequently, the Exchange updated the program and began delivering FMCE content in a computerized learning laboratory, for which members were assessed a flat per-session fee of \$100. Beginning in March 2008, the Exchange began offering the FMCE Program via a web-based interactive program that members can access from an Internet-capable

computer. To reflect the delivery method of the revised, Web-based FMCE Program, starting in October 2007, the Exchange changed the fee structure from a per-session fee to a flat fee of \$50 for each training module offered. For this flat fee, members are able to access the FMCE Program during their own time and from their own computers under proper compliance supervision. Members are also able to stop and start a training module at any point and return to a module once completed without any additional charge.

Based upon experience, the revenues generated from the \$50 flat fee for each training module offered are insufficient to cover fully the costs associated with developing and delivering these modules. For that reason, the Exchange is proposing to increase the fee in order to achieve the goal of cost recovery for the program. The Exchange has evaluated the program's costs for 2009 and is proposing to assess a fee of \$80 for modules delivered in 2009. The new fee will not be retroactive and will be applied following the date of this filing.

Beginning in 2010, the Exchange will review the fee annually to ensure that the fee continues to accurately reflect the Exchange's development and delivery costs. Any revenues collected in a given year that exceed that year's actual development and delivery costs will be credited to the projected development and delivery costs for the succeeding year. Similarly, any deficit may be carried over to the next year for purposes of assessing the fee. If the Exchange determines that further fee changes are necessary, we will submit appropriate filings with the Commission.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the provisions of Section 6⁴ of the Securities Exchange Act of 1934 (the "Act")⁵ in general and Section 6(b)(4) of the Act⁶ in particular, in that the proposed rule change is designed to provide for the equitable allocation of reasonable dues, fees and other charges among its members and other persons using its facilities.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change is effective upon filing pursuant to Section 19(b)(3)(A)⁷ of the Act and subparagraph (f)(2) of Rule 19b-4⁸ thereunder, because it establishes a due, fee, or other charge imposed by the NYSE.

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
