**DATES:** The deletions will be effective on June 28, 2002 unless comments are received that would result in a contrary determination.

**ADDRESSES:** Send comments to Department of the Navy, PA/FOIA Policy Branch, Chief of Naval Operations, DNS10, 2000 Navy Pentagon, Washington, DC 20350-2000.

**FOR FURTHER INFORMATION CONTACT:** Mrs. Doris Lama at (202) 685-6545 or DSN 325-6545.

**SUPPLEMENTARY INFORMATION:** The Department of the Navy's record system notices for records systems subject to the Privacy Act of 1974 (5 U.S.C. 552a), as amended, have been published in the **Federal Register** and are available from the address above.

These deletions are not within the purview of subsection (r) of the Privacy Act of 1974 (5 U.S.C. 552a), as amended, which requires the submission of new or altered systems report.

**NO1001-5**

**SYSTEM NAME:**

MSC Masters/Chief Engineers Biographical Data File (April 28, 1999, 64 FR 22840).

*Reason:* The Command no longer tracks or updates biographies. Records no longer necessary and have been destroyed.

**NO4050-1**

**SYSTEM NAME:**

Personal Property Program (February 22, 1993, 58 FR 10734).

*Reason:* The Department of the Navy is deleting this system of records from its inventory because the Department of the Army, as the executive agency for DoD's surface passenger and personal property program, has an established DoD-wide system of records for the maintenance of these records (A0055-355 MTMC, entitled 'Personal Property Movement and Storage Records').

**NO5800-2**

**SYSTEM NAME:**

Legal Records System (February 22, 1993, 58 FR 10770).

*Reason:* As a result of realignment, Navy hospitals no longer report to the Bureau of Medicine and Surgery. Accordingly, their legal office records are covered under a variety of other Navy legal systems. Hence, a separate distinct system for BUMED and the hospitals is no longer needed.

## DEPARTMENT OF EDUCATION

**[CFDA NO: 84.349A]**

### Early Childhood Educator Professional Development Program; Notice Inviting Applications for New Awards for Fiscal Year (FY) 2002

*Purpose of Program:* The purpose of the Early Childhood Educator Professional Development Program, authorized by section 2151(e) of the Elementary and Secondary Education Act (ESEA) as added by the No Child Left Behind Act, Public Law 107-110, is

to enhance the school readiness of young children, particularly disadvantaged young children, and to prevent them from encountering difficulties once they enter school. The program is designed to improve the knowledge and skills of early childhood educators who work in communities that have high concentrations of children living in poverty.

Projects funded under the Early Childhood Educator Professional Development Program will provide high-quality, sustained, and intensive professional development for these early childhood educators in how to provide developmentally appropriate school-readiness services for preschool-age children that are based on the best available research on early childhood pedagogy and on child development and learning. These grants complement the President's Early Childhood Initiative and early learning programs, such as Early Reading First, by helping States and local communities strengthen early learning for young children. The Department intends to disseminate information about the funded projects that prove to be effective professional development models to child care and early childhood education programs.

*Eligible Applicants:* A partnership consisting of—

(i) One or more institutions of higher education, or other public or private entities (including faith-based organizations), that provide professional development for early childhood educators who work with children from low-income families in high-need communities; *and*

(ii) One or more public agencies (including local educational agencies, State educational agencies, State human services agencies, and State and local agencies administering programs under the Child Care and Development Block Grant Act of 1990), Head Start agencies, or private organizations (including faith-based organization); *and*

(iii) If feasible, an entity with demonstrated experience in providing training to educators in early childhood education programs concerning identifying and preventing behavior problems or working with children identified as or suspected to be victims of abuse. This entity may be one of the partners described above, if appropriate.

*Applications Available:* May 28, 2002.
