General Description of Reports

This information collection is mandatory: 12 U.S.C. 602 (Board); 12 U.S.C. 161 and 602 (OCC); and 12 U.S.C. 1828 (FDIC). This information collection is given confidential treatment under 5 U.S.C. 552(b)(4) and (8).

Abstract

The FFIEC 030 contains asset and liability information for foreign branches of insured U.S. banks and insured U.S. savings associations (U.S. institutions) and is required for regulatory and supervisory purposes. The information is used to analyze the foreign operations of U.S. institutions. All foreign branches of U.S. institutions regardless of charter type file this report as provided in the instructions to the FFIEC 030 and FFIEC 030S.

An institution must file a separate report for each foreign branch, but in some cases may consolidate filings for multiple foreign branches in the same country. A branch with either total assets of at least \$2 billion or commitments to purchase foreign currencies and U.S. dollar exchange of at least \$5 billion as of the end of a calendar quarter is considered a "significant branch" and is required to report quarterly on the FFIEC 030. A foreign branch that does not meet either of the criteria to file quarterly, but has total assets in excess of \$250 million, must file the entire FFIEC 030 report on an annual basis as of each December 31.

A foreign branch that does not meet the criteria to file the FFIEC 030 report, but has total assets of \$50 million or more (but less than or equal to \$250 million), must file the Abbreviated Foreign Branch Report of Condition (FFIEC 030S) on an annual basis as of each December 31. A foreign branch with total assets of less than \$50 million is exempt from filing the FFIEC 030 and 030S reports.

Current Actions

On July 29, 2015, the agencies published a notice in the **Federal Register** (80 FR 45274) and requested comment on a proposal to revise the officer declaration requirement that applies to the FFIEC 030 and FFIEC 030S, reduce the information provided if the consolidation option is elected, and add a field on the cover page for an

institution to indicate whether the branch meets the criteria for annual or quarterly filing. These revisions would become effective for the December 31, 2015, report date. The comment period for this notice expired on September 28, 2015. The agencies did not receive any comments addressing the proposed changes and are now submitting to OMB a request for review and approval of the extension, with revision, of the FFIEC 030 and FFIEC 030S.

Request for Comment

Public comment is requested on all aspects of this joint notice. Comments are invited on:

a. Whether the information collection is necessary for the proper performance of the agencies' functions, including whether the information has practical utility;

b. The accuracy of the agencies' estimate of the burden of the information collection, including the validity of the methodology and assumptions used;

c. Ways to enhance the quality, utility, and clarity of the information to be collected;

d. Ways to minimize the burden of the information collection on respondents, including through the use of automated collection techniques or other forms of information technology; and

e. Estimates of capital or start up costs and costs of operation, maintenance, and purchase of services to provide the requested information.

Comments submitted in response to this notice will be shared among the agencies. All comments will become a matter of public record.
