RAILROAD RETIREMENT BOARD**Agency Forms Submitted for OMB Review, Request for Comments**

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the Railroad Retirement Board (RRB) is forwarding 3 Information Collection Requests (ICR) to the Office of Information and Regulatory Affairs (OIRA), Office of Management and Budget (OMB). Our ICR describes the information we seek to collect from the public. Review and approval by OIRA ensures that we impose appropriate paperwork burdens.

The RRB invites comments on the proposed collections of information to determine (1) the practical utility of the collections; (2) the accuracy of the estimated burden of the collections; (3) ways to enhance the quality, utility, and clarity of the information that is the subject of collection; and (4) ways to minimize the burden of collections on respondents, including the use of automated collection techniques or other forms of information technology. Comments to the RRB or OIRA must contain the OMB control number of the ICR. For proper consideration of your comments, it is best if the RRB and OIRA receive them within 30 days of the publication date.

Title and Purpose of information collection: Railroad Separation Allowance or Severance Pay Report; OMB 3220-0173.

Section 6 of the Railroad Retirement Act provides for a lump-sum payment to an employee or the employee's survivors equal to the Tier II taxes paid by the employee on a separation allowance or severance payment for which the employee did not receive credits toward retirement. The lump-sum is not payable until retirement benefits begin to accrue or the employee dies. Also, Section 4(a-1)(iii) of the Railroad Unemployment Insurance Act provides that a railroad employee who is paid a separation allowance is disqualified for unemployment and

sickness benefits for the period of time the employee would have to work to earn the amount of the allowance. The reporting requirements are specified in 20 CFR 209.14.

In order to calculate and provide payments, the Railroad Retirement Board (RRB) must collect and maintain records of separation allowances and severance payments which were subject to Tier II taxation from railroad employers. The RRB uses Form BA-9, Report of Separation Allowance or Severance Pay, to obtain information from railroad employers concerning the separation allowances and severance payments made to railroad employees and/or the survivors of railroad employees. Employers currently have the option of submitting their reports on paper Form BA-9, (or in like format) on a CD-ROM disk, or by File Transfer Protocol (FTP), or secure Email. Completion is mandatory. One response is requested of each respondent.

Previous Requests for Comments: The RRB has already published the initial 60-day notice (80 FR 23307 on April 27, 2015) required by 44 U.S.C. 3506(c)(2). That request elicited no comments.

Information Collection Request (ICR)

Title: Railroad Separation Allowance or Severance Pay Report.

OMB Control Number: 3220-0173.

Form(s) submitted: BA-9.

Type of request: Revision of currently approved collection.

Affected public: Private Sector; Businesses or other for profits.

Abstract: Section 6 of the Railroad Retirement Act provides for a lump-sum payment to an employee or the employee's survivor equal to the Tier II taxes paid by the employee on a separation allowance or severance payment for which the employee did not receive credits toward retirement. The collection obtains information concerning the separation allowances and severance payments paid from railroad employers.

Changes proposed: The RRB proposes the implementation of an Internet equivalent version of Form BA-9 that can be submitted through the RRB's Employer Reporting System (ERS).

The burden estimate for the ICR is as follows:

Form number	Annual responses	Time (minutes)	Burden (hours)
BA-9 (Paper)	100	76	127
BA-9 (Internet)	215	15	54
BA-9 (CD-ROM)	10	76	13
BA-9 (secure Email)	25	76	32

Form number	Annual responses	Time (minutes)	Burden (hours)
BA-9 (FTP)	10	76	13
Total	360	239

Additional Information or Comments:
Copies of the forms and supporting documents can be obtained from Dana Hickman at (312) 751-4981 or Dana.Hickman@RRB.GOV.

Comments regarding the information collection should be addressed to Charles Mierzwa, Railroad Retirement Board, 844 North Rush Street, Chicago, Illinois 60611-2092 or Charles.Mierzwa@RRB.GOV and to the OMB Desk Officer for the RRB, Fax: 202-395-6974, Email address: OIRA_Submission@omb.eop.gov.

Charles Mierzwa,
Chief of Information Resources Management.

BILLING CODE 7905-01-P

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-75717; File No. SR-BYX-2015-35]

Self-Regulatory Organizations; BATS Y-Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend Rule 11.22 To Describe the Market Data Product BYX Book Viewer

August 18, 2015.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on August 7, 2015, BATS Y-Exchange, Inc. (the “Exchange” or “BYX”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Exchange has designated this proposal as a “non-controversial” proposed rule change pursuant to section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(6)(iii) thereunder,⁴ which renders it effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange filed a proposal to amend Rule 11.22 to describe a market data product known as BYX Book Viewer.

The text of the proposed rule change is available at the Exchange’s Web site at www.batstrading.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

(A) Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to add language to Rule 11.22 describing a market data product known as BYX Book Viewer. The proposal memorializes in the Exchange’s rules a data feed that is currently available through the Exchange’s public Web site free of charge. BYX Book Viewer is a data feed that disseminates, on a real-time basis, the aggregated two-side quotations for up to five (5) price levels for all displayed orders for securities traded on the Exchange and for which the Exchanges reports quotes under the Consolidated Tape Association (“CTA”) Plan or the Nasdaq/UTP Plan. BYX Book Viewer also contains the last ten (10) trades including time of trade, price and share quantity. BYX Book Viewer is currently available via www.batstrading.com without charge. The Exchange will file a separate proposed rule change with the Commission proposing fees to be

charged for certain types of access to BYX Book Viewer as of September 1, 2015.⁵

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with section 6(b) of the Act,⁶ in general, and furthers the objectives of section 6(b)(5) of the Act,⁷ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and to protect investors and the public interest, and that it is not designed to permit unfair discrimination among customers, brokers, or dealers. This proposal is in keeping with those principles in that it promotes increased transparency through the dissemination of BYX Book Viewer. The Exchange also believes this proposal is consistent with section 6(b)(5) of the Act because it protects investors and the public interest and promotes just and equitable principles of trade by providing investors with an alternative for receiving market data as requested by market data vendors and purchasers that expressed an interest in exchange-only data for instances where consolidated data is no longer required to be purchased and displayed. The proposed rule change would benefit investors by facilitating their prompt access to real-time depth-of-book information contained in BYX Book Viewer. The proposed rule change also removes impediments to and perfect the mechanism of a free and open market and a national market system by memorializing in the Exchange’s rules a data feed that is currently available through the Exchange’s public Web site free of charge.

The Exchange also believes that the proposed rule change is consistent with section 11(A) of the Act⁸ in that it supports (i) fair competition among

⁵ The Exchange understands that its affiliated exchanges intend to file identical proposed rule changes to adopt rules and fees for the Book Viewer data feed with the Commission. The Exchange’s affiliates are EDGA Exchange, Inc., EDGX Exchange, Inc. and BATS Exchange, Inc.
