

requester has a commercial interest that would be furthered by the requested disclosure. NSF will consider any commercial interest of the requester (with reference to the definition of "commercial use" in paragraph (b)(1) of this section), or of any person on whose behalf the requester may be acting, that would be furthered by the requested disclosure. Requesters will be given an opportunity in the administrative process to provide explanatory information regarding this consideration.

(ii) The primary interest in disclosure: Whether any identified commercial interest of the requester is sufficiently large, in comparison with the public interest in disclosure, that disclosure is "primarily in the commercial interest of the requester." A fee waiver or reduction is justified where the public interest standard is satisfied and that public interest is greater in magnitude than that of any identified commercial interest in disclosure. NSF ordinarily will presume that where a news media requester has satisfied the public interest standard, the public interest will be the interest primarily served by disclosure to that requester. Disclosure to data brokers or others who merely compile and market government information for direct economic return will not be presumed to primarily serve the public interest.

(4) Where only some of the requested records satisfy the requirements for a waiver of fees, a waiver will be granted for those records.

(5) Requests for the waiver or reduction of fees should address the factors listed in paragraphs (k)(2) and (3) of this section, insofar as they apply to each request.

§ 612.11 Other rights and services.

Nothing in this part will be construed to entitle any person, as of right, to any service or to the disclosure of any record to which such person is not entitled under the FOIA.

Dated: April 7, 2009.

Deputy General Counsel.

SUPPLEMENTARY INFORMATION:

A. Background

On May 24, 2004, the Small Business Administration (SBA) published a final rule in the **Federal Register** at 69 FR 29411, and on August 30, 2005, an interim rule at 70 FR 51243 amending its HUBZone regulations at 13 CFR Part 126 to implement the Small Business Reauthorization Act of 2000, the Consolidated Appropriations Act, 2005, and other various policy changes. This rule proposes to amend the FAR, as follows, to implement changes in the HUBZone regulations:

- FAR 19.1303(d), Status as a qualified HUBZone small business concern; 52.219-3, Notice of Total HUBZone Set-Aside; and 52.219-4, Notice of Price Evaluation Preference for HUBZone Small Business Concerns, are revised to stipulate that to be eligible for a HUBZone contract, a HUBZone small business concern must be a HUBZone small business concern both at the time of its initial offer and at the time of contract award. SBA revised the HUBZone regulations to require HUBZone small business concerns to "certify," at the time of their initial offers and again at the time of contract award, their HUBZone small business concern status. While the SBA regulations use the term "certify," the certification is intended to be a "representation" as used in the FAR. Small business concern offerors are already required to "represent" their HUBZone small business concern status at the time of their initial offer.

- FAR 52.219-3 and 52.219-4 are revised to add a requirement that the HUBZone concern provide to the contracting officer a copy of the notice required by 13 CFR 126.501 if material changes occur before award that could affect its HUBZone eligibility.

- The performance of work requirements of sections 52.219-3 and 52.219-4 are revised to be consistent with the SBA HUBZone regulations. Alternate I would be used if there are not at least two HUBZones that can meet the 50 percent requirement. FAR 19.1308, Performance of work requirements (limitations on subcontracting), is also revised to reflect the changes in the performance of work requirements.

- The definition of "HUBZone contract," which is used in the SBA

regulations, is added at section 2.101, Definitions.

This rule also proposes to revise the FAR as follows:

- Adds “qualified base closure areas” and “redesignated areas” to the list of HUBZone locations in the definition of “HUBZone” at section 2.101 as required by the Small Business Reauthorization Act of 2000 and the Consolidated Appropriations Act, 2005.

- Adds “HUBZone joint ventures” to the list of affiliates that are controlled through contractual relationships at section 19.101, Explanation of terms, to recognize that HUBZone joint ventures, comprised of members who are individually small under the appropriate size standard, can qualify as HUBZone small business concerns when the aggregate total of the joint venture is small under the size standard for the NAICS code assigned to the contract, or alternative, when the aggregate total of the joint venture is not small, and then either: (1) for a procurement having a revenue-based size standard, the estimated contract value exceeds half the size standard corresponding to the NAICS code assigned to the contract; or (2) for a procurement having an employee-based size standard, the estimated contract value exceeds \$10 million.

- Adds a definition in Subpart 19.3, Determination of Small Business Status for Small Business Programs, for “interested party” and a notice that SBA will dismiss protests from offerors SBA determines are not “interested parties.”

- Changes the protest procedures in 19.306, Protesting a firm’s status as a HUBZone small business concern, to require protests to be “submitted” instead of “received” by certain specified dates consistent with SBA regulations.

- At 19.800, General, removes an obsolete reference to priority of HUBZone 8(a) concerns, deleted from SBA regulations.

- Adds options for obtaining information on HUBZone small business concerns at 19.1303, Status as a qualified HUBZone small business concern.

- Changes the nonmanufacturer rule at 19.102, Size standards, paragraph (f)(8), 19.1303(e), 52.219–3(e), and 52.219–4(f) to be consistent with SBA HUBZone regulations.

- Changes the HUBZone set-aside procedures at 19.1305 to business days, and changes 19.1305(e)(3), HUBZone set-aside procedures, to require SBA to file its formal appeal with the head of the agency.

- Changes procedures for HUBZone sole source awards at 19.1306,

HUBZone sole source awards, to be consistent with the HUBZone regulations.

- Adds procedures at 19.1307, Price evaluation preference for HUBZone small business concerns, and 52.219–4 for how to make award when, after considering the price evaluation preference, an offer submitted by a qualified HUBZone is equal to an offer submitted by a large business.

- Retitles clause 52.219–3, “Notice of Total HUBZone Set-Aside,” to “Notice of Total HUBZone Set-Aside or Sole Source Award,” and clarifies the clause prescription for sole source awards to implement the performance of the work requirements of the clause in sole source HUBZone awards.

- In 52.219–3 and 52–219–4, adds a reference to SBA definitions on limitations on subcontracting.

- Adds to 52.219–8(d), Utilization of Small Business Concerns, the requirement that the contractor shall confirm that a subcontractor is certified by SBA as a HUBZone small business by accessing the Central Contractor Registration database or contacting SBA. Additional language to 52.219–8(d) requires that for a competitive subcontract, the contractor must inform each unsuccessful subcontract offeror in writing of the name and location of the apparent successful offeror prior to award of the contract to the successful subcontract offer.

In addition to these HUBZone small business changes, this rule proposes to amend the FAR as follows:

- Changes the term “8(a) program” at 19.000, Scope of part to “8(a) business development program” to reflect the complete title of the program. To avoid confusion, however, other references to the 8(a) program are unchanged since nothing other than the title of the program is changed.

- Deletes the terminology “acquisition and property sale assistance” from “joint venture—acquisition and property sales assistance” at 19.101 because the term “acquisition” added no meaning and “property sales” are beyond the scope of the FAR. The proposed rule also deletes the other reference to a “property sale” in the same paragraph.

This is not a significant regulatory action and, therefore, was not subject to review under Section 6(b) of Executive Order 12866, Regulatory Planning and Review, dated September 30, 1993. This rule is not a major rule under 5 U.S.C. 804.

B. Regulatory Flexibility Act

On May 24, 2004, the Small Business Administration (SBA) published a final

rule in the **Federal Register** at 69 FR 29411, and on August 30, 2005, an interim rule at 70 FR 51243 amending its HUBZone regulations at 13 CFR Part 126 to implement the Small Business Reauthorization Act of 2000, the Consolidated Appropriations Act, 2005, and other various policy changes. This rule proposes to revise the Federal Acquisition Regulation (FAR) in order to update the FAR to comply with the Small Business Administration’s regulations as they pertain to acquisition.

The changes may have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*

An Initial Regulatory Flexibility Analysis (IRFA) has been prepared and will be provided to the Chief Counsel for Advocacy for the Small Business Administration. The reason these changes may have a significant economic impact on a substantial number of small entities is because the small entities must comply with additional HUBZone requirements as discussed below. In addition, the proposed rule adds “qualified base closure areas” and “redesignated areas” to the list of HUBZone locations in the definition of “HUBZone”. This means that there will be more qualified HUBZone contractors competing for HUBZone contracts. The analysis is summarized as follows:

The proposed FAR rule requires a HUBZone small business concern to be eligible for the HUBZone Program both at the time of its initial offer and at the time of contract award in addition to requiring the HUBZone concern to provide to the contracting officer a copy of the notice required by 13 CFR 126.501 if material changes occur before award that could affect its HUBZone eligibility. These requirements will eliminate some small businesses that are not eligible in both instances. The requirement for a HUBZone small business concern to provide to the contracting officer a copy of the notice required by 13 CFR 126.501 if material changes occur before award that could affect its HUBZone eligibility will eliminate those vendors that are no longer a HUBZone concern. This will result in those HUBZone concerns that are still eligible to compete having to compete only among other eligible HUBZone concerns, thus increasing their chances for award.

In addition, the proposed rule impacts some small business concerns by revising the FAR to state that except for construction or service contracts, when the total value of the contract exceeds

\$25,000, a HUBZone small business concern nonmanufacturer must agree to furnish in performing the contract only end items manufactured or produced by HUBZone small business manufacturer concerns. In SBA's final rule dated August 30, 2005, SBA states that it is difficult to obtain a precise quantitative estimate of the impact these changes might have on small businesses. However, SBA estimates that 220 counties will be added as HUBZones a result of base closures.

The FAR Secretariat has submitted a copy of the IRFA to the Chief Counsel for Advocacy of the Small Business Administration. A copy of the IRFA may be obtained from the FAR Secretariat. The Councils will consider comments from small entities concerning the affected FAR parts 2, 19 and 52 in accordance with 5 U.S.C. 610. Comments must be submitted separately and should cite 5 U.S.C 601, *et seq.* (FAR case 2006-005), in correspondence.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the proposed changes to the FAR do not impose information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. Chapter 35, *et seq.*

(ii) *HUBZone joint venture.* A HUBZone joint venture of two or more HUBZone small business concerns may submit an offer for a HUBZone contract as long as each concern is small under the size standard corresponding to the NAICS code assigned to the requirement, provided one of the following conditions apply:

(A) The aggregate total of the joint venture is small under the size standard corresponding to the NAICS code assigned to the contract.

(B) The aggregate total of the joint venture is not small under the size

standard corresponding to the NAICS code assigned to the contract and either—

(1) For a revenue-based size standard, the estimated contract value exceeds half the size standard corresponding to the NAICS code assigned to the contract; or

(2) For an employee-based size standard, the estimated contract value exceeds \$10 million.

(iii) *Joint venture.* Concerns submitting offers on a particular acquisition as joint ventures are considered as affiliated and controlling or having the power to control each other with regard to performance of the contract. * * *

5. Amend section 19.102 by adding paragraph (f)(8) to read as follows:

19.102 Size standards.

* * * * *

(f) * * *

(8) For non-manufacturer rules pertaining to HUBZone contracts, see 19.1303(e).

* * * * *

6. Revise section 19.306 to read as follows:

19.306 Protesting a firm's status as a HUBZone small business concern.

(a) *Definition* as used in this section—*Interested party* has the meaning given in 13 CFR 126.103.

(b) *HUBZone Small Business Status.*

(1) For sole source acquisitions, the SBA or the contracting officer may protest the apparently successful offeror's HUBZone small business concern status.

(2) For all other acquisitions, an offeror that is an interested party, the contracting officer, or the SBA may protest the apparently successful offeror's HUBZone small business concern status.

(c) Protests relating to whether a HUBZone small business concern is a small business for purposes of any Federal program are subject to the procedures of subpart 19.3. Protests relating to small business size status for the acquisition and the HUBZone qualifying requirements will be processed concurrently by SBA.

(d) All protests must be in writing and must state all specific grounds for the protest. Assertions that a protested concern is not a qualified HUBZone small business concern, without setting forth specific facts or allegations, are insufficient. An offeror must submit its protest to the contracting officer. The contracting officer and the SBA must submit protests to SBA's Associate

Administrator for the HUBZone Program (AA/HUB).

(e) The protest of an offeror that is an interested party must be submitted by close of business on the fifth business day after bid opening (in sealed bid acquisitions) or by close of business on the fifth business day after notification by the contracting officer of the apparently successful offeror (in negotiated acquisitions). Any protest submitted after these time limits is untimely, unless it is submitted by the SBA or the contracting officer. Any protest received prior to bid opening or notification of intended award, whichever applies, is premature and shall be returned to the protester.

(f) Except for premature protests, the contracting officer shall forward all protests received, notwithstanding whether the contracting officer believes that the protest is not sufficiently specific, timely, or submitted by an interested party. The contracting officer shall also forward a referral letter with the information required by 13 CFR 126.801(e).

(g) Protests may be submitted in person or by facsimile, express delivery service, or U.S. mail (postmarked within the applicable time period) to: Associate Administrator/Historically Underutilized Business, AA/HUB, U.S. Small Business Administration, 409 3rd Street, SW., Washington, DC 20416; Fax (202) 205-7167. The AA/HUB will notify the protester and the contracting officer that the protest was received and indicate whether the protest will be processed or dismissed for lack of timeliness or specificity. A protest will be dismissed if SBA determines the protester is not an interested party.

(h) SBA will determine the HUBZone status of the protested HUBZone small business concern within 15 business days after receipt of a protest. If SBA does not contact the contracting officer within 15 business days, the contracting officer may award the contract to the apparently successful offeror, unless the contracting officer has granted SBA an extension. The contracting officer may award the contract after receipt of a protest if the contracting officer determines in writing that an award must be made to protect the public interest.

(i) SBA will notify the contracting officer, the protester, and the protested concern of its determination. The determination is effective immediately and is final unless overturned on appeal by SBA's Associate Deputy Administrator for Government Contracting and Business Development (ADA/GC&BD).

(j) The protested HUBZone small business concern, the protester, or the contracting officer may file appeals of protest determinations with SBA's ADA/GC&BD. The ADA/GC&BD must receive the appeal no later than 5 business days after the date of receipt of the protest determination. SBA will dismiss any appeal received after the 5-day period.

(k) The appeal must be in writing. The appeal must identify the protest determination being appealed and must set forth a full and specific statement as to why the decision is erroneous or what significant fact the AA/HUB failed to consider.

(l) The party appealing the decision must provide notice of the appeal to the contracting officer and either the protested HUBZone small business concern or the original protester, as appropriate. SBA will not consider additional information or changed circumstances that were not disclosed at the time of the AA/HUB's decision or that are based on disagreement with the findings and conclusions contained in the determination.

(m) The ADA/GC&BD will make its decision within 5 business days of the receipt of the appeal, if practicable, and will base its decision only on the information and documentation in the protest record as supplemented by the appeal. SBA will provide a copy of the decision to the contracting officer, the protester, and the protested HUBZone small business concern. The SBA decision, if received before award, will apply to the pending acquisition. SBA rulings received after award will not apply to that acquisition. The ADA/GC&BD's decision is the final decision.

7. Amend section 19.703 by revising paragraph (d)(1)(i) to read as follows:

12. Amend section 19.1301 by revising paragraph (a) to read as follows:

19.1301 General.

(a) The Historically Underutilized Business Zone (HUBZone) Act of 1997 (15 U.S.C. 631 note) created the HUBZone Program.

* * * * *

13. Amend section 19.1303 by revising the section heading and paragraphs (b), (c), and (d) and adding paragraph (e). The revised and added text read as follows:

19.1303 Status as a HUBZone small business concern.

* * * * *

(b) If the SBA determines that a concern is a HUBZone small business concern, it will issue a certification to that effect and will add the concern to the List of Qualified HUBZone Small Business Concerns <https://eweb1.sba.gov/hubzone/internet/general/approved-firms.cfm>. Only firms on the list are HUBZone small business concerns, eligible for HUBZone preferences. HUBZone preferences apply without regard to the place of performance. Information on HUBZone small business concerns can also be obtained at http://dsbs.sba.gov/dsbs/dsp_dsbs.cfm or by writing to the Associate Administrator for the HUBZone Program (AA/HUB) at U.S. Small Business Administration, 409 3rd Street, SW., Washington, DC 20416 or at hubzone@sba.gov.

(c) A joint venture (see 19.101) may be considered a HUBZone small business concern if it meets the criteria in the explanation of affiliates in 19.101.

(d) To be eligible for a HUBZone contract under this section, a HUBZone small business concern must be a HUBZone small business concern both at the time of its initial offer and at the time of contract award.

(e) A HUBZone small business concern may submit an offer for supplies as a nonmanufacturer if it meets the requirements of the nonmanufacturer rule set forth at 13 CFR 121.406(b)(1) and if the small manufacturer providing the end item is also a HUBZone small business concern.

(1) There are no waivers to the nonmanufacturer rule for HUBZone contracts.

(2) For HUBZone contracts at or below \$25,000 in total value, a HUBZone small business concern may supply the end item of any manufacturer, including a large business, so long as the product acquired is manufactured or produced in the United States.

14. Amend section 19.1305 by removing from paragraph (a) “A participating agency” and adding “The” in its place; and revising paragraphs (c) and (e) to read as follows:

19.1305 HUBZone set-aside procedures.

* * * * *

(c) A contracting officer may set aside acquisitions exceeding the micro-purchase threshold that do not exceed the simplified acquisition threshold for competition restricted to HUBZone small business concerns at the sole discretion of the contracting officer, provided the requirements of paragraph (b) of this section can be satisfied.

* * * * *

(e) The procedures at 19.202–1 and, except for acquisitions not exceeding the simplified acquisition threshold, at 19.402 apply to this section.

(1) When the SBA intends to appeal a contracting officer's decision to reject a recommendation of the SBA procurement center representative (or, if a procurement center representative is not assigned, see 19.402(a)) to set aside an acquisition for competition restricted to HUBZone small business concerns, the SBA procurement center representative shall notify the contracting officer, in writing, of its intent within 5 business days of receiving the contracting officer's notice of rejection.

(2) Upon receipt of notice of SBA's intent to appeal, the contracting officer shall suspend action on the acquisition unless the head of the contracting activity makes a written determination that urgent and compelling circumstances, which significantly affect the interests of the Government, exist.

(3) Within 15 business days of SBA's notification to the contracting officer, SBA must file its formal appeal with the head of the agency, or the appeal will be deemed withdrawn. The head of the agency shall reply to SBA within 15 business days of receiving the appeal. The decision of the head of the agency shall be final.

15. Amend section 19.1306 by revising paragraph (a) to read as follows:

19.1306 HUBZone sole source awards.

(a) An agency contracting officer may award contracts to HUBZone small business concerns on a sole source basis without considering small business set-asides (see Subpart 19.5), provided none of the exclusions at 19.1304 apply and—

(1) The contracting officer does not have a reasonable expectation that offers would be received from two or more HUBZone small business concerns;

(2) The anticipated price of the contract, including options, will not exceed—

(i) \$5.5 million for a requirement within the NAICS codes for manufacturing; or

(ii) \$3.5 million for a requirement within all other NAICS codes;

(3) The acquisition is greater than the simplified acquisition threshold (see part 13);

(4) The HUBZone small business concern has been determined to be a responsible contractor with respect to performance; and

(5) Award can be made at a fair and reasonable price.

* * * * *

16. Amend section 19.307 by adding paragraph (e) to read as follows:

19.1307 Price evaluation preference for HUBZone small business concerns.

* * * * *

(e) When the two highest rated offerors are a HUBZone small business concern and a large business, and the evaluated offer of the HUBZone small business concern is equal to the evaluated offer of the large business after considering the price evaluation preference, the contracting officer shall award the contract to the HUBZone small business concern.

19.1308 [Redesignated as 19.1309]

17. Redesignate section 19.1308 as 19.1309; and add a new section 19.1308 to read as follows:

19.1308 Performance of work requirements (limitations on subcontracting).

(a) Before issuing a solicitation for general construction or construction by special trade contractors, the contracting officer must determine if at least two HUBZone small business concerns can individually perform at least 50 percent of the cost of contract performance incurred for personnel, using its own employees or subcontract employees of other HUBZone small business concerns. If not, the clause at 52.219–3 Notice of Total HUBZone Set-Aside or Sole Source Award, or 52.219–4, Notice of Price Evaluation Preference for HUBZone Small Business Concerns,

shall be used, as applicable, with its Alternate I (see 19.1309).

(b) See 13 CFR 125.6 for definitions of terms used in paragraph (a) of this section.

18. Revise the newly designated section 19.1309 to read as follows:

19.1309 Contract clauses.

(a) The contracting officer shall insert the clause 52.219–3, Notice of Total HUBZone Set-Aside or Sole Source Award, in solicitations and contracts for acquisitions that are set aside for, or awarded on a sole source basis to, HUBZone small business concerns under 19.1305 or 19.1306. The contracting officer shall insert the clause with its Alternate I if market research indicates that there are not at least two HUBZone small business concerns that can meet the requirements of 19.1308.

(b) The contracting officer shall insert the clause at FAR 52.219–4, Notice of Price Evaluation Preference for HUBZone Small Business Concerns, in solicitations and contracts for acquisitions conducted using full and open competition. The clause shall not be used in acquisitions that do not exceed the simplified acquisition threshold. The contracting officer shall insert the clause with its Alternate I if market research indicates that there are not at least two HUBZone small business concerns that can meet the requirements of 19.1308.

PART 33—PROTESTS, DISPUTES, AND APPEALS

19. Amend section 33.102 by revising the second sentence of paragraph (a) to read as follows:

33.102 General.
