SUPPLEMENTARY INFORMATION:

Title: Veterans Employability Survey (VERS).

OMB Control Number: None assigned.

Type of Review: New collection.

Abstract: The purpose of the study is to obtain information on veterans who discontinued or interrupted their Vocational Rehabilitation and Employment (VR&E) Program. VA will use the data to determine the factors impacting the veteran's discontinuation of the program, effect on employability and types of interventions that might enable veterans to stay in the program and to compare this VR&E Program population with veterans who successfully complete the program and with the general veteran population.

An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. The **Federal Register** Notice with a 60-day comment period soliciting comments on this collection of information was published on September 27, 2005, at page 56527.

Affected Public: Individuals or households.

Estimated Time Per Respondent and Annual Burden: 1,667 hours.

Estimated Average Burden Per
