

Cash Deposit Requirements

Commerce will issue revised cash deposit instructions to U.S. Customs and Border Protection (CBP) for ISEC. In the *Final Results*, Commerce determined to treat ISEC and E-TON as a single entity for the purposes of this administrative review, in accordance with 19 CFR 351.401(f).⁶ However, the cash deposit will remain specific to ISEC, given the fact that E-TON ceased to exist during the POR.⁷

Liquidation of Suspended Entries

At this time, Commerce remains enjoined by the CIT order from liquidating entries that were produced and/or exported by ISEC and E-TON, and imported by JA Solar, that were entered, or withdrawn from warehouse, for consumption during the period February 1, 2019, through January 31, 2020. These entries will remain enjoined pursuant to the terms of the injunction during the pendency of any appeals process.

In the event that the CIT's ruling is not appealed or, if appealed, upheld by a final and conclusive court decision, Commerce intends to instruct CBP to assess antidumping duties on unliquidated entries of subject merchandise produced and/or exported by ISEC and E-TON, and imported by JA Solar, in accordance with 19 CFR 351.212(b). We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific *ad valorem* assessment rate is not zero or *de minimis*. Where an importer-specific *ad valorem* assessment rate is zero or *de minimis*,⁸ we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

SUPPLEMENTARY INFORMATION:

Background

On September 19, 2022, Commerce published the *Preliminary Results* of this administrative review.¹ Interpipe,² the sole mandatory respondent, was the only interested party to comment on the *Preliminary Results*. For a description of the events since the *Preliminary Results*, as well as a full discussion of the issues raised by parties for these final results, see the Issues and Decision Memorandum.³ Commerce conducted this review in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act).

Scope of the Order⁴

The products covered by the *Order* are OCTG from Ukraine. For a full

² Commerce has previously determined that Interpipe Europe S.A.; Interpipe Ukraine LLC; PJSC Interpipe Nizhnedneprovsky Tube Rolling Plant; and LLC Interpipe Niko Tube are affiliated and treated as a single entity (*i.e.*, Interpipe). See *Preliminary Results* PDM at “Summary.”

description of the scope, see the Issues and Decision Memorandum.

Analysis of Comments Received

All issues raised in Interpipe's case brief are addressed in the Issues and Decision Memorandum. A list of these issues is attached as an appendix to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Changes Since the Preliminary Results

Based on our analysis of the comments received from Interpipe regarding our *Preliminary Results*, we made certain changes to the calculation of the weighted-average dumping margin for Interpipe in these final results.⁵

Final Results of Review

We have calculated the following weighted-average dumping margin for Interpipe for the period July 1, 2020, through June 30, 2021:

Exporter or producer	Weighted-average dumping margin (percent)
Interpipe Europe S.A./Interpipe Ukraine LLC/PJSC Interpipe Nizhnedneprovsky Tube Rolling Plant/LLC Interpipe Niko Tube	1.55

Disclosure

We intend to disclose the calculations performed for these final results within five days of the date of publication of this notice in the **Federal Register**, in accordance with 19 CFR 351.224(b).

Assessment Rates

Pursuant to section 751(a)(2)(C) of the Act, and 19 CFR 351.212(b)(1), Commerce has determined, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review.⁶ For

⁵ See Issues and Decision Memorandum.

⁶ See *Antidumping Proceeding: Calculation of the Weighted-Average Dumping Margin and Assessment Rate in Certain Antidumping Duty Proceedings; Final Modification*, 77 FR 8101 (February 14, 2012).

⁶ See *Final Results* IDM at Comment 3.

⁷ *Id.*

⁸ See 19 CFR 351.106(c)(2).

Interpipe, we will calculate importer-specific assessment rates on the basis of the ratio of the total amount of antidumping duties calculated for each importer's examined sales and the total entered value of the sales, in accordance with 19 CFR 351.212(b)(1). Where an importer-specific *ad valorem* assessment rate is not zero or *de minimis*, Commerce will instruct CBP to collect the appropriate duties at the time of liquidation.

Consistent with Commerce's assessment practice, for entries of subject merchandise during the POR produced by Interpipe for which it did not know that the merchandise was destined for the United States, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.⁷

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for Interpipe will be equal to the weighted-average dumping margin established in the final results of this administrative review; (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which the company participated; (3) if the exporter is not a firm covered in this review or in a prior segment of the proceeding, but the producer was covered, the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be the all-others rate of 7.47 percent as established in the

original less-than-fair-value investigation.⁸

These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Administrative Protective Order

This notice serves as the only reminder to parties subject to an administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

Notification to Interested Parties

We are issuing and publishing these results of administrative review in accordance with sections 751(a)(1) and 777(i) of the Act, and 19 CFR 351.221(b)(5).

Dated: March 17, 2023.
