above individual. You will receive a reply during normal business hours.

SUPPLEMENTARY INFORMATION: The Carson City District Draft RMP/Draft EIS would replace the existing 2001 Carson City Field Office Consolidated RMP. The Draft RMP/Draft EIS was developed through a collaborative planning process. The Carson City District Draft RMP/Draft EIS decision area encompasses approximately 4.8 million acres of public land administered by the BLM Carson City District in portions of 11 counties within 2 States (Washoe, Storey, Carson City, Douglas, Lyon, Churchill, Mineral, and Nye counties within Nevada; and Alpine, Plumas, and Lassen counties within California). It does not include private lands, State lands, Indian reservations, Federal lands not administered by BLM. The Carson City District Draft RMP/Draft EIS includes goals, objectives and management actions for protecting and preserving natural resources which includes air quality, soil and water resources, vegetation, fish and wildlife, special status species, wild horses and burros, wildland fire management, cultural and paleontological resources, visual resource values, and lands with wilderness characteristics. Multiple resource uses are addressed which include management and forage allocations for livestock grazing; delineation of lands open, closed, or subject to special stipulations or mitigation measures for minerals development; recreation and travel management designations; management of lands and realty actions, including delineation of avoidance and exclusion areas applicable to rights-of-ways (ROWs), land tenure adjustments, and solar and wind energy development. The planning effort will consider establishment of a national trail management corridor for the congressionally-designated California and Pony Express National Historic Trails. Eligible river segments will be evaluated for suitability as components of the National Wild and Scenic River System and 23 new Areas of Critical Environmental Concern (ACECs) are proposed. The ACECs are proposed to protect natural and cultural resource values and traditional Native American use areas.

Authority: 40 CFR 1506.6, 40 CFR 1506.10, 43 CFR 1610.2.
