Environmental Evaluation

It has been determined by an environmental evaluation that this

action will have no significant impact on the quality of the human environment. Therefore, neither an environmental assessment nor an Environmental Impact Statement is needed.

Executive Order 12372

This program is not subject to the provisions of Executive Order 12372, which require intergovernmental consultation with State and local officials. See the notice related to 7 CFR part 3015, subpart V, published at 48 FR 29115 (June 24, 1983).

Small Business Regulatory Enforcement Act of 1996

Section 263 of Pub. L. 106-224 and Section 840 of Pub. L. 106–387 requires that these regulations be issued as soon as practicable after the date of enactment and without regard to the notice and comment provision of 5 U.S.C. 553 or the Statement of Policy of the Secretary of Agriculture effective July 24, 1971, (36 FR 13804) relating to notice of proposed rulemaking and public participation in rulemaking. They also require the Secretary to use the provisions of 5 U.S.C. 808, the Small **Business Regulatory Enforcement Act** (SBREFA), which provide that a rule may take effect at such time as the agency may determine if the agency finds for good cause that public notice is impracticable, unnecessary, or contrary to the public purpose, and thus does not have to meet the requirements of 801 of SBREFA requiring a 60-day delay for Congressional review of a major regulation before the regulation can go into effect. This final rule is considered major for the purposes of SBREFA. However, these regulations affect a large number of agricultural producers who have been significantly impacted by natural disasters and poor market conditions. Accordingly, and because § 263 explicitly sets out Congress' intent that the waiting period of SBREFA should not apply, it has been determined that it would be
