

three key sanctuary user groups—commercial fishers, for-hire recreational dive operations, and for-hire recreational fishing operations (charter and party/head boat operations)—with questions focusing on: (1) General information, economic information, and trip costs; and (2) knowledge, attitudes, and perceptions of sanctuary management strategies and regulations.

In 2011–2012, the for-hire dive and fishing industry interviews were completed. The commercial fisheries interviews were not begun due to lack of funding; NMFS have the funding now and expect to complete these interviews. The for-hire dive and fishing industries are dynamic with entry and exit of businesses. We estimate the possibility of up to four new businesses over the next three years.

II. Method of Collection

Interviews will be conducted face-to-face and recorded on paper forms.
