Proposed Information Collection Activity; Comment Request

Proposed Projects

Title: Application for the Emergency Form for CSBG/ARRA Expenditure Report.

OMB No.: New Collection.

Description: On February 17, 2009, President Obama signed into law the American Recovery and Reinvestment Act of 2009 (Recovery Act). The Recovery Act provided for \$1 billion in additional funds to the Community Services Block Grant (CSBG) program for Federal Fiscal Year 2009; however, the grant period runs through FY 2010. As with regularly appropriated CSBG funds, Recovery Act funds may be used for the reduction of poverty, the revitalization of low-income communities, and the empowerment of low-income families and individuals in

rural and urban areas to become fully self-sufficient.

To be in compliance with Recovery Act (Pub. L. 111-5) section 1512(c)(1) through (B), a backup sheet was created to identify the various activities that make up the total Federal share of outlays reported on the 269A Report line 10(a). The CSBG/ARRA Fund provides resources to States, Territories, and Tribes to support work and families during this difficult economic period. We plan to issue a backup sheet for the 269A Report with instructions for jurisdictions to complete, which would provide detailed information to support line 10(a) of the aforementioned document.

Failure to collect this data would compromise ACF's ability to monitor expenditure patterns by the grantees.

Documentation maintenance on financial reporting for the CSBG Fund is governed by 45 CFR 96.30.
