

A draft questionnaire is available for review at <http://www.regulations.gov>.

NIOSH requests public input on the content of the questionnaire and consideration of the following:

- (1) Apart from a survey, what alternative methods should be considered to gather this information?
- (2) What resources are available that can be used to identify nanomaterial producers, distributors, end-users, and R&D laboratories for inclusion in a sampling frame?
- (3) A web-based survey is being proposed primarily because it is cost-efficient and can be easy to administer. Should any other modes (telephone, mail) be considered?
- (4) In small and medium-sized establishments, who would be the person best suited to respond to questions addressing risk management practices for ENMs?
- (5) What should be the maximum amount of time needed to complete the survey?
- (6) Is benchmarking adherence to safe use guidelines of value to your organization?
- (7) What guidelines are being used by your organization to minimize worker exposure to ENMs?
- (8) Are there any questions in the draft survey that should be excluded? Are there any questions not included in the draft survey that should be included?

FOR FURTHER INFORMATION CONTACT: Jim Boiano—jboiano@cdc.gov; 513–841–4246 or Rebecca Tsai—rtsai@cdc.gov; 513–841–4398, NIOSH, 4676 Columbia Parkway, Mail Stop R17, Cincinnati, Ohio 45226–1998.

Dated: June 13, 2013.

John Howard,

Director, National Institute for Occupational Safety and Health, Centers for Disease Control and Prevention.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Children and Families

Submission for OMB Review; Comment Request

Title: National Medical Support Notice

OMB No.: 0970–0222

Description: The National Medical Support Notice (NMSN) is a two-part document that requires information from State child support enforcement agencies, employers, and health plan administrators to assist in enforcing health care coverage provisions in a child support order. The Department of Health and Human Services (DHHS), Administration for Children and Families (ACF) developed and maintains Part A of the NMSN, which is sent to an obligor's employer for completion; the Department of Labor (DOL) developed and maintains Part B of the NMSN, which is provided to health care administrators following completion of Part A.

DOL revised Part B to conform with changes to the currently approved Part A and is seeking a three year approval from OMB. To avoid burdening the State child support enforcement agencies with potential reprogramming at varying times due to future changes in either Part A or Part B, ACF is resubmitting an unchanged information collection package and requesting an extension to the current OMB approval of NMSN Part A to synchronize the expiration date with NMSN Part B.

Respondents: State child support enforcement agencies, employers, and health plan administrators.

ANNUAL BURDEN ESTIMATES

Instrument	Number of respondents	Number of responses per respondent	Average burden hours per response	Total burden hours
National Medical Support Notice—Part A—Notice To Withhold for Health Care Coverage	54	97,775	0.17	897,574.50

Estimated Total Annual Burden Hours: 897,574.50.

Additional Information:

Copies of the proposed collection may be obtained by writing to the Administration for Children and Families, Office of Planning, Research

and Evaluation, 370 L'Enfant Promenade, SW., Washington, DC 20447, Attn: ACF Reports Clearance Officer. All requests should be identified by the title of the information collection. Email address: infocollection@acf.hhs.gov.

OMB Comment:

OMB is required to make a decision concerning the collection of information between 30 and 60 days after publication of this document in the **Federal Register**. Therefore, a comment is best assured of having its full effect
