

relating to wages, hours, job responsibilities, or any other information in any plant or facility relied on by a producer of covered vehicles to demonstrate that the production of those vehicles meets the high-wage components of the LVC requirements. See 19 U.S.C.

4532(e)(4)(B). The Act grants authority to the Secretary to issue regulations.

The interim final rule (IFR), *High-Wage Components of the Labor Value Content Requirements Under the United States-Mexico-Canada Agreement Implementation Act*, 85 FR 39782, implemented the Act's requirements and established procedures for producers concerning the high-wage components of the LVC requirements.

This information collection is subject to the PRA. A federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB under the PRA approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The Department obtains OMB approval for this information collection under Control Number 1235–0032.

OMB authorization for an ICR cannot be for more than 3 years without renewal, and the current approval for this collection will expire on January 31, 2024. The Department seeks to extend PRA authorization for this information collection for 3 more years, without any change to existing requirements. The Department notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review.

Interested parties are encouraged to send comments to the Department at the address shown in the **ADDRESSES** section within 60 days of publication of this notice in the **Federal Register**. To help ensure appropriate consideration, comments should mention OMB Control Number 1235–0032.

II. Review Focus

The Department of Labor is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

- Enhance the quality, utility, and clarity of the information to be collected;

- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

III. Current Actions
