On July 31, 1996, the Department published Prohibited Transaction Exemption 96-62 which, pursuant to the exemption procedure set forth in 29 CFR part 2570, subpart B, permits a plan to seek approval on an accelerated basis of otherwise prohibited transactions. This ICR is intended to provide the Department with sufficient information to support a finding that the exemption meets the statutory standards of section 408(a) of ERISA, and to provide affected parties with the opportunity to comment on the

proposed transaction, while at the same time reducing the regulatory burden associated with processing individual exemptions for transactions prohibited under ERISA.
