SUPPLEMENTARY INFORMATION: In accordance with section 122(h) of CERCLA, notification is hereby given of a proposed administrative settlement with nineteen parties by which these parties, who are currently conducting the work at the Site under an administrative order, will pay future non-oversight response costs incurred by EPA at the Site. These parties paid all EPA's non-oversight costs at an earlier time. The Site is within the jurisdiction of the federal court in the Third Circuit which has ruled that parties are not liable under CERCLA for EPA oversight costs. The settlers will receive a covenant not to sue for claims related to EPA's past or future oversight costs at the Site, even if the law should change.
