Summary of the Proposed Information Collection

In its Strategic Plan (available on the agency's Internet server at <http://www.usitc.gov>) the Commission set itself the goal of obtaining feedback on the effectiveness of its exclusion orders from complainants who obtained such orders under 19 U.S.C. 1337. The survey asks each firm responding to the survey to: (i) Evaluate whether the remedial exclusion order has prevented the importation of items covered by the order, (ii) if not, estimate what are the absolute value and effect in the United States market of such imports, and (iii) indicate what experience it has had in policing the exclusion order, particularly with respect to any investigatory efforts and any interactions with the U.S. Customs Service.

Responses to the survey are voluntary. The Commission estimates that the survey will require less than 1 hour to complete.

By order of the Commission.

Issued: August 30, 2004.

Marilyn R. Abbott,

Secretary to the Commission.
