

claimants for Social Security disability benefits or SSI payments, SSA periodically conducts a continuing disability review (CDR). During a CDR, the agency reviews claimants' status to see if their condition improved to the point they are capable of working, and if so, to reduce or stop their benefits or payments. If SSA notifies a claimant the agency will stop benefits or payments, the claimant may appeal the determination. The first appeal gives the claimant the opportunity for a full evidentiary hearing before a disability hearing officer (DHO).

For quality review purposes, a Federal component reviews a small sample of the DHO's determinations. It is rare for the reviewing component to reverse a DHO determination favorable to the claimant. Before SSA can issue an unfavorable determination, we give the claimant 10 days to provide a written statement explaining why SSA should not stop payments. The written statement is the information SSA collects in this process. Respondents are CDR claimants whose payments may cease.

As a normal course of business and in compliance with OMB Guidelines contained in Circular A-110, recipient organizations are required to provide, and the U.S. State Department is required to collect, periodic program and financial performance reports. The responsibility of the State Department to track and monitor the programmatic and financial performance necessitates a database that can help facilitate this in a consistent and standardized manner. The MEPI Performance Reporting System (PRS) enables enhanced monitoring and evaluation of grants through standardized collection and storage of relevant award elements, such as quarterly progress reports, workplans, results monitoring plans, grant agreements, financial reports, and other business information related to MEPI implementers. The PRS streamlines communication with implementers and allows for rapid identification of information gaps for specific projects.

Methodology: Information will be entered into PRS electronically by respondents. Non-respondents will submit their quarterly reports on paper.
