*Abstract:* Individuals or entities that want to appoint another to act as an attorney-in-fact in connection with certain FSA, CCC, NRCS, FCIC, and RMA programs and related actions must complete a form of FSA-211, Power of Attorney form. The form is used by a grantor to appoint another to act on the individual's or entity's behalf for certain FSA, CCC, NRCS, FCIC and RMA programs or other specific actions, giving the appointee legal authority to enter into certain programs, agreements, or contracts, or other specific actions on the grantor's behalf. The form also provides FSA, CCC, NRCS, FCIC and RMA a source to verify an individual's authority to sign and act for another in the event of errors or fraud. The information collected on the form is limited to grantor's name, signature and identification number, the grantee's address, and the applicable FSA, CCC, NRCS, FCIC and RMA programs or transactions.

The burden hours in this collection increased by 1,526 hours since the last OMB approval. The reason for the increase in hours is due to the increase in FSA customers during the pandemic. The increase in customers is due to the multiple pandemic programs that

provided help to producers who were not normally covered by FSA programs.

For the following estimated total annual burden on respondents, the formula used to calculate the total burden hours is the estimated average time per responses multiplied by the estimated total annual of responses.

*Estimate of Average Time To Respond:* Public reporting burden for collecting information under this notice is estimated to average 0.4843 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.
