BILLING CODE 4310-70-P

DEPARTMENT OF THE INTERIOR

Office of Surface Mining Reclamation and Enforcement

Notice of Proposed Information Collection for 1029-0059

AGENCY: Office of Surface Mining Reclamation and Enforcement.

ACTION: Notice and request for comments.

SUMMARY: In compliance with the Paperwork Reduction Act of 1995, the Office of Surface Mining Reclamation and Enforcement (OSM) is announcing its intention to request approval for the collections of information for 30 CFR Part 735—Grants for Program Development and Administration and Enforcement, 30 CFR Part 885—Grants for Certified States and Indian Tribes, and 30 CFR Part 886—State and Tribal Reclamation Grants. This collection request has been forwarded to the Office of Management and Budget (OMB) for review and approval. The information collection request describes the nature of the information collection and the expected burden and cost.

DATES: OMB has up to 60 days to approve or disapprove the information collections but may respond after 30 days. Therefore, public comments should be submitted to OMB by February 20, 2009, in order to be assured of consideration.

ADDRESSES: Please send comments to the Office of Information and Regulatory Affairs, Office of Management and Budget, Department of the Interior Desk Officer, via e-mail at OIRA_Docket@omb.eop.gov, or by facsimile to (202) 395-6566. Also, please send a copy of your comments to the Information Collection Clearance Officer, Office of Surface Mining Reclamation and Enforcement, 1951 Constitution Ave., NW., Room 202-SIB, Washington, DC 20240, or electronically to jtrelease@osmre.gov. Please reference 1029-0059 in your correspondence.

FOR FURTHER INFORMATION CONTACT: To receive a copy of the information collection request, contact John Trelease at (202) 208-2783, or electronically at jtrelease@osmre.gov.

SUPPLEMENTARY INFORMATION: The Office of Management and Budget (OMB) regulations at 5 CFR 1320, which implement provisions of the Paperwork Reduction Act of 1995 (Pub. L. 104-13), require that interested members of the public and affected agencies have an opportunity to comment on information collection and recordkeeping activities [see 5 CFR 1320.8(d)]. OSM has submitted a request to OMB to renew its approval of the collections of information contained in 30 CFR Part 735—Grants for Program Development and Administration and Enforcement, 30 CFR Part 886—State and Tribal Reclamation Grants, and newly established 30 CFR Part 885 Grants for Certified States and Indian Tribes. OSM is requesting a 3-year term of approval for each information collection activity.

An agency may not conduct or sponsor, and a person is not required to

respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for 30 CFR Parts 735 and 886 that require grant submittals are currently approved under OMB control number 1029-0059. OSM is adding 30 CFR Part 885 to this collection, but it will not change the burden for this collection package since the burden associated with Part 885 is derived from Part 886.

As required under 5 CFR 1320.8(d), a **Federal Register** notice soliciting comments on this collection of information was published on October 9, 2008 (73 FR 59671). No comments were received. This notice provides the public with an additional 30 days in which to comment on the following information collection activity:

Title: 30 CFR Parts 735, 885, and 886.

OMB Control Number: 1029-0059.

Summary: State and Tribal reclamation and regulatory authorities are requested to provide specific budget and program information as part of the grant application and reporting processes authorized by the Surface Mining Control and Reclamation Act.

Bureau Form Numbers: OSM-47, OSM-49 and OSM-51.

Frequency of Collection: Semi-annually, annually and on occasion.

Description of Respondents: State and Tribal reclamation and regulatory authorities.

Total Annual Responses: 133.

Total Annual Burden Hours: 957 hours.

Send comments on the need for the collection of information for the performance of the functions of the agency; the accuracy of the agency's burden estimates; ways to enhance the quality, utility and clarity of the information collection; and ways to minimize the information collection burden on respondents, such as use of automated means of collection of the information, to the addresses listed under **ADDRESSES**. Please refer to OMB control number 1029-0059 in your correspondence.

Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Dated: January 8, 2009.

John R Craynon,

Chief Division of Regulatory Support.

BILLING CODE 4310-05-M

DEPARTMENT OF JUSTICE

Notice of Lodging of Consent Decree Under the Clean Air Act

Under 28 CFR 50.7, notice is hereby given that on January 12, 2009, a proposed Consent Decree ("Consent Decree") in the case of *United States, et al. v. Chemtrade Logistics (US), Inc., et al.*, Civil Action No. 3:09-cv-00067, was lodged with the United States District Court for the Northern District of Ohio.

In a complaint that was filed simultaneously with the Consent Decree, the United States, the State of Louisiana, the State of Ohio, and the Oklahoma Department of Environmental Quality ("ODEQ") sought injunctive relief and civil penalties against Chemtrade Logistics (US), Inc., Chemtrade Refinery Services Inc., and Marsulex Inc. (collectively "Defendants"), pursuant to Sections 113(b) and 304(a) of the Clean Air Act ("CAA"), 42 U.S.C. 7413(b), 7604(a), for alleged violations of the standards of performance for new stationary sources, 42 U.S.C. 7411, also known as New Source Performance Standards ("NSPS"); preconstruction requirements, 42 U.S.C. 7470-92, 7501-7509a, also known as Prevention of Significant Deterioration ("PSD") and Nonattainment New Source Review ("Nonattainment NSR") requirements; and permit requirements, 42 U.S.C. 7503, also known as Title V requirements. The claims relate to six sulfuric acid manufacturing facilities located in Cairo, Ohio; Oregon, Ohio; Beaumont, Texas; Shreveport, Louisiana; Tulsa, Oklahoma; and Riverton, Wyoming.

The Consent Decree requires the Defendants to pay a civil penalty of \$700,000 of which \$460,000 (66 percent) will be paid to the United States and the rest will be divided among the State of Louisiana, the State of Ohio, and the ODEQ. The Consent Decree further requires Defendants, at all six facilities, to meet certain emission limits (for sulfur dioxide and acid mist) and to comply with applicable NSPS requirements (including performance testing and monitoring). The Northern Arapaho Tribe also joined the Consent Decree because the Riverton, Wyoming facility is located on tribal land.

The Department of Justice will receive for a period of thirty (30) days from the date of this publication comments relating to the Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and either e-mailed to pubcomment-ees.enrd@usdoj.gov or mailed to P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611, and should refer to *United States, et al. v. Chemtrade Logistics, et al.*, D.J. Ref. No. 90-5-2-1-06944/1.

The Consent Decree may be examined at the Office of the United States Attorney, 801 West Superior Ave., Suite 400, Cleveland, OH 44113, and at U.S. EPA Region 5, 77 W. Jackson St., Chicago, IL 60604. During the public comment period, the Consent Decree may also be examined on the following Department of Justice Web site: <http://www.usdoj.gov/enrd/ConsentDecrees.html>. A copy of the Consent Decree may also be obtained by mail from the Consent Decree Library, P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611, or by faxing or e-mailing a request to Tonia Fleetwood (tonia.fleetwood@usdoj.gov), fax number (202) 514-0097, phone confirmation number (202) 514-1547. In requesting a copy from the Consent Decree Library, please enclose a check in the amount of \$ 34.75 (25 cents per page reproduction cost) payable to the U.S. Treasury, or, if by e-mail or fax, forward a check in that amount to the Consent Decree Library at the stated address.

William D. Brighton,

Assistant Section Chief, Environmental Enforcement Section, Environment and Natural Resources Division.

BILLING CODE 4410-15-P

DEPARTMENT OF JUSTICE

Notice of Lodging of Amendment to Consent Decree Under the Comprehensive Environmental Response, Compensation and Liability Act

Notice is hereby given that on January 9, 2009, a proposed amendment to the consent decree ("Second Consent Decree Amendment") in *United States v. American Cyanamid, et al.*, Civil Action No. 2:93-0654 was lodged with the United States District Court for the Southern District of West Virginia.

The original consent decree, entered on February 19, 1997, resolved claims that the United States filed under Sections 106 and 107 of CERCLA, 42
