

information for the annual preparation of the Fee Accountability Report via a Web-based survey that appropriate State officials (e.g., State 911 Administrators and Budget Officials) will be able to access to submit data pertaining to the collection and distribution of fees or charges for the support or implementation of 911 or enhanced 911 services, including data regarding whether their respective state collects and distributes such fees or charges, the nature (e.g., amount and method of assessment or collection) and the amount of revenues obligated or expended for any purpose other than the purpose for which any such 911 or enhanced 911 service fees or charges are specified. Consistent with Sections 6(f) of the NET 911 Act, the Commission will request that state officials report

this information with respect to the fees and charges in connection with implementation of 911 or E-911 services within their state, including any political subdivision, Indian tribe and/or village and regional corporation serving any region established pursuant to the Alaska Native Claims Settlement Act that otherwise lie within their state boundaries. In addition, consistent with the definition of "State" set out in 47 U.S.C. 153 (40) of the Communications Act, the Commission will collect this information from states as well as the District of Columbia and the inhabited U.S. Territories and possessions.

Federal Communications Commission.
