**AGENCY:** United States International Trade Commission.

**ACTION:** Notice.

**SUMMARY:** The Commission hereby gives notice that it has instituted reviews pursuant to the Tariff Act of 1930 ("the Act"), as amended, to determine whether revocation of the antidumping and countervailing duty orders on 1-Hydroxyethylidene-1, 1-Diphosphonic Acid ("HEDP") from China would be likely to lead to continuation or recurrence of material injury. Pursuant to the Act, interested parties are requested to respond to this notice by submitting the information specified below to the Commission.

**DATES:** Instituted April 1, 2022. To be assured of consideration, the deadline for responses is May 2, 2022. Comments on the adequacy of responses may be filed with the Commission by June 10, 2022.

Hearing-impaired persons can obtain information on this matter by contacting the Commission's TDD terminal on 202-205-1810. General information concerning the Commission may also be obtained by accessing its internet server (<https://www.usitc.gov>). The public record for this proceeding may be viewed on the

Commission's electronic docket (EDIS) at <https://edis.usitc.gov>.

#### SUPPLEMENTARY INFORMATION:

**Background.**—On May 18, 2017, the Department of Commerce ("Commerce") issued antidumping and countervailing duty orders on imports of HEDP from China (82 FR 22807-22810). The Commission is conducting reviews pursuant to section 751(c) of the Act, as amended (19 U.S.C. 1675(c)), to determine whether revocation of the orders would be likely to lead to continuation or recurrence of material injury to the domestic industry within a reasonably foreseeable time.

Provisions concerning the conduct of this proceeding may be found in the Commission's Rules of Practice and Procedure at 19 CFR part 201, subparts A and B, and 19 CFR part 207, subparts A and F. The Commission will assess the adequacy of interested party responses to this notice of institution to determine whether to conduct full or expedited reviews. The Commission's determinations in any expedited reviews will be based on the facts available, which may include information provided in response to this notice.

**Definitions.**—The following definitions apply to these reviews:

(1) *Subject Merchandise* is the class or kind of merchandise that is within the scope of the five-year reviews, as defined by Commerce.

(2) The *Subject Country* in these reviews is China.

(3) The *Domestic Like Product* is the domestically produced product or products which are like, or in the absence of like, most similar in characteristics and uses with, the *Subject Merchandise*. In its original determinations, the Commission defined a single *Domestic Like Product* encompassing all HEDP, coextensive with Commerce's scope.

(4) The *Domestic Industry* is the U.S. producers as a whole of the *Domestic Like Product*, or those producers whose collective output of the *Domestic Like Product* constitutes a major proportion of the total domestic production of the product. In its original determinations, the Commission defined a single *Domestic Industry* consisting of the sole U.S. producer of HEDP, Compass Chemical International, LLC.

(5) The *Order Date* is the date that the antidumping and countervailing duty orders under review became effective. In these reviews, the *Order Date* is May 18, 2017.

(6) An *Importer* is any person or firm engaged, either directly or through a parent company or subsidiary, in

importing the *Subject Merchandise* into the United States from a foreign manufacturer or through its selling agent.

**Participation in the proceeding and public service list.**—Persons, including industrial users of the *Subject Merchandise* and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in the proceeding as parties must file an entry of appearance with the Secretary to the Commission, as provided in § 201.11(b)(4) of the Commission's rules, no later than 21 days after publication of this notice in the **Federal Register**. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the proceeding.

Former Commission employees who are seeking to appear in Commission five-year reviews are advised that they may appear in a review even if they participated personally and substantially in the corresponding underlying original investigation or an earlier review of the same underlying investigation. The Commission's designated agency ethics official has advised that a five-year review is not the same particular matter as the underlying original investigation, and a five-year review is not the same particular matter as an earlier review of the same underlying investigation for purposes of 18 U.S.C. 207, the post-employment statute for Federal employees, and Commission rule 201.15(b) (19 CFR 201.15(b)), 79 FR 3246 (Jan. 17, 2014), 73 FR 24609 (May 5, 2008). Consequently, former employees are not required to seek Commission approval to appear in a review under Commission rule 19 CFR 201.15, even if the corresponding underlying original investigation or an earlier review of the same underlying investigation was pending when they were Commission employees. For further ethics advice on this matter, contact Charles Smith, Office of the General Counsel, at 202–205–3408.

**Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and APO service list.**—Pursuant to § 207.7(a) of the Commission's rules, the Secretary will make BPI submitted in this proceeding available to authorized applicants under the APO issued in the proceeding, provided that the application is made no later than 21 days after publication of this notice in the **Federal Register**. Authorized applicants must represent interested parties, as defined in 19 U.S.C. 1677(9), who are parties to the proceeding. A

separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

**Certification.**—Pursuant to § 207.3 of the Commission's rules, any person submitting information to the Commission in connection with this proceeding must certify that the information is accurate and complete to the best of the submitter's knowledge. In making the certification, the submitter will acknowledge that information submitted in response to this request for information and throughout this proceeding or other proceeding may be disclosed to and used: (i) By the Commission, its employees and Offices, and contract personnel (a) for developing or maintaining the records of this or a related proceeding, or (b) in internal investigations, audits, reviews, and evaluations relating to the programs, personnel, and operations of the Commission including under 5 U.S.C. Appendix 3; or (ii) by U.S. government employees and contract personnel, solely for cybersecurity purposes. All contract personnel will sign appropriate nondisclosure agreements.

**Written submissions.**—Pursuant to § 207.61 of the Commission's rules, each interested party response to this notice must provide the information specified below. The deadline for filing such responses is May 2, 2022. Pursuant to § 207.62(b) of the Commission's rules, eligible parties (as specified in Commission rule 207.62(b)(1)) may also file comments concerning the adequacy of responses to the notice of institution and whether the Commission should conduct expedited or full reviews. The deadline for filing such comments is June 10, 2022. All written submissions must conform with the provisions of § 201.8 of the Commission's rules; any submissions that contain BPI must also conform with the requirements of §§ 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's *Handbook on Filing Procedures*, available on the Commission's website at [https://www.usitc.gov/documents/handbook\\_on\\_filing\\_procedures.pdf](https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf), elaborates upon the Commission's procedures with respect to filings. Also, in accordance with §§ 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the proceeding must be served on all other parties to the proceeding (as identified by either the public or APO service list as appropriate), and a certificate of service must accompany the document (if you are not a party to the proceeding you do not need to serve your response).

Please note the Secretary's Office will accept only electronic filings at this time. Filings must be made through the Commission's Electronic Document Information System (EDIS, <https://edis.usitc.gov>). No in-person paper-based filings or paper copies of any electronic filings will be accepted until further notice.

No response to this request for information is required if a currently valid Office of Management and Budget ("OMB") number is not displayed; the OMB number is 3117 0016/USITC No. 22–5–522, expiration date June 30, 2023. Public reporting burden for the request is estimated to average 15 hours per response. Please send comments regarding the accuracy of this burden estimate to the Office of Investigations, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436.

**Inability to provide requested information.**—Pursuant to § 207.61(c) of the Commission's rules, any interested party that cannot furnish the information requested by this notice in the requested form and manner shall notify the Commission at the earliest possible time, provide a full explanation of why it cannot provide the requested information, and indicate alternative forms in which it can provide equivalent information. If an interested party does not provide this notification (or the Commission finds the explanation provided in the notification inadequate) and fails to provide a complete response to this notice, the Commission may take an adverse inference against the party pursuant to § 776(b) of the Act (19 U.S.C. 1677e(b)) in making its determinations in the reviews.

**SUPPLEMENTARY INFORMATION:** On August 11, 2020, the Commission instituted this investigation based on a complaint filed on behalf of Tama Group of Israel and Tama USA Inc. of Dubuque, Iowa (together, "Tama"). 85 FR 48561-62 (Aug. 11, 2020). The complaint alleged violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, based upon the importation into the United States, the sale for

importation, and the sale within the United States after importation of certain wrapping material and methods for use in agricultural applications by reason of infringement of one or more of claims 1, 2, 4-16, 18, 28, 32, 33, and 35-45 of U.S. Patent No. 6,787,209 ("the '209 patent"). *Id.* The Commission's notice of investigation named as respondents Zhejiang Yajia Cotton Picker Parts Co., Ltd. of Zhuji City, China ("Yajia Cotton"); Southern Marketing Affiliates, Inc. of Jonesboro, Arkansas ("SMA"); Hai'an Xin Fu Yuan of Agricultural, Science, and Technology Co., Ltd. of Nantong, China ("XFY"); and Gosun Business Development Co. Ltd. of Grande Prairie, Canada ("Gosun"). *Id.* at 48561. The Office of Unfair Import Investigations is not participating in this investigation. *Id.*

The Commission previously terminated this investigation with respect to Gosun. Order No. 6, *unreviewed by* Notice (Oct. 5, 2020).

Based on Tama's motion, the Commission later amended the complaint and notice of investigation to add Zhejiang Yajia Packaging Materials Co., Ltd. ("Yajia Packaging") as a respondent. Order No. 8, *unreviewed by* Notice (Oct. 27, 2020); 85 FR 68,916 (Oct. 30, 2020). Yajia Cotton and Yajia Packaging are collectively referred to herein as "Yajia." Yajia, SMA, and XFY are collectively referred to herein as "Respondents."

On November 16, 2020, XFY was found in default pursuant to Commission Rule 210.16 (19 CFR 210.16). Order No. 11, *unreviewed by* Notice (Nov. 30, 2020).

On December 10, 2021, the ALJ issued the final ID, which found that Respondents did not violate section 337.

On December 27, 2021, Yajia and SMA filed a joint petition for review, and Tama also filed a petition for review. On January 4, 2022, Yajia and SMA filed a joint response to Tama's petition for review, and Tama filed a response to Yajia and SMA's joint petition for review.

The Commission received no public interest comments from the public in response to the Commission's **Federal Register** notice seeking comment on the public interest. 86 FR 71664-65 (Dec. 17, 2021). Tama, Yajia, and SMA did not submit any public interest comments pursuant to Commission Rule 210.50(a)(4) (19 CFR 210.50(a)(4)).

On March 9, 2022, the Commission determined to review the following findings and conclusions of the final ID:

(1) The final ID's findings that Yajia and SMA do not infringe claims 32, 33,

35-38, and 41-44 directly or indirectly; and

(2) the final ID's finding that the economic prong of the domestic industry requirement has not been satisfied.

On March 17, 2022, Tama and Respondents filed a joint motion to terminate the investigation based on a settlement agreement and a motion to stay the deadlines (the "Motion"). The Motion includes the settlement agreement.

The Commission has determined that the Motion complies with the requirements of section 210.21(b)(1) of the Commission's Rules of Practice and Procedure (19 CFR 210.21(b)(1)), and that there are no extraordinary circumstances that would prevent the requested termination. The Commission also finds that granting the Motion would not be contrary to the public interest pursuant to section 210.50(b)(2) of the Commission's Rules of Practice and Procedure (19 CFR 210.50(b)(2)). Accordingly, the Commission hereby grants the Motion. The Commission takes no position as to the issues that remain under review.

This investigation is terminated.

The Commission vote for this determination took place on March 28, 2022.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

While temporary remote operating procedures are in place in response to COVID-19, the Office of the Secretary is not able to serve parties that have not retained counsel or otherwise provided a point of contact for electronic service. Accordingly, pursuant to Commission Rules 201.16(a) and 210.7(a)(1) (19 CFR 201.16(a), 210.7(a)(1)), the Commission orders that the Complainant(s) complete service for any party/parties without a method of electronic service noted on the attached Certificate of Service and shall file proof of service on the Electronic Document Information System (EDIS).]

By order of the Commission.
