

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of this notice of final results of administrative review for all shipments of pencils from the PRC entered, or withdrawn from warehouse, for consumption on or after the date of publication, as provided by section 751(a)(1) of the Act: (1) the cash deposit rates for the reviewed companies will be the rates shown above; (2) for previously reviewed or investigated companies not listed above, that have separate rates, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) the cash deposit rate for all other PRC exporters will be 123.11 percent; and 4) the cash deposit rate for non-PRC exporters will be the rate applicable to the PRC supplier of that exporter.

These deposit requirements shall remain in effect until publication of the final results of the next administrative review.

Assessment

The Department will determine, and the Customs Service will assess, antidumping duties on all entries of subject merchandise in accordance with these final results. For assessment purposes, we have calculated exporter-specific duty assessment rates for subject merchandise based on the ratio of the total amount of antidumping duties calculated for the examined sales during the POR to the total quantity of sales examined during the POR. We calculated exporter-specific assessment rates because there was no information on the record which identified the importers of record. The Department will issue appraisal instructions directly to Customs.

Reimbursement of Duties

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Administrative Protective Orders

This notice also serves as the only reminder to parties subject to administrative protective orders (APOs) of their responsibility concerning the return or destruction of proprietary information disclosed under an APO in

accordance with 19 CFR 351.305 of the Department's regulations. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

We are issuing and publishing this determination and notice in accordance with sections section 751(a)(1) and 771(i) of the Act.

Dated: July 16, 2002.

Faryar Shirzad,

Assistant Secretary for Import Administration.
