

three responses) will contain information that the sponsor asserts is exempt from disclosure.

Based on FDA experience and information provided to the agency by industry, FDA estimates that approximately 700 hours on average

would be needed for the preparation of a fully releasable submission and 1,400 hours for that of a submission that contains information the respondent asserts is exempt from disclosure, including the time FDA expects it will take a sponsor to submit an electronic

version of the package. The total estimated burden hours under the draft guidance are 7,700. FDA invites comments on the analysis of information collection burdens.

FDA estimates the burden of this information collection as follows:

TABLE 1.—ESTIMATED ANNUAL REPORTING BURDEN ¹

Submissions	No. of respondents	No. of responses per respondent	Total annual responses	Hours per response	Total hours
Fully releasable submissions	4	1.25	5	700	3,500
Submissions that contain material that is claimed to be exempt from disclosure	2	1.5	3	1,400	4,200
Total	6	8	7,700

¹ There are no capital costs or operating and maintenance costs associated with this collection of information.

DEPARTMENT OF THE INTERIOR

Office of the Secretary

Advisory Committee on Water Information; Notice of Reestablishment

This notice is published in accordance with section 9 (a) (2) of the Federal Advisory Committee Act (Pub. L. 92-463), 5 U.S.C. App. (1988). Following consultation with the General Services Administration, notice is hereby given that the Secretary of the Interior is reestablishing the Advisory Committee on Water Information (ACWI). OMB Memorandum 92-01 dated December 10, 1991, designated the U.S. Geological Survey (USGS) as the lead agency for the Water Information Coordination Program (WICP) and also designated all other Federal organizations using water resources information to assist the USGS in ensuring the implementation of an effective WICP.

The purpose of the Committee is to represent the interests of water-information users and professionals in advising the Federal Government on Federal water-information programs and their effectiveness in meeting the Nation's water-information needs. Member organizations will help to foster communications between the Federal and non-Federal sectors on sharing water information.
