SUPPLEMENTARY INFORMATION:

Title: Financial Responsibility for Motor Carriers of Passengers and Motor Carriers of Property.

OMB Control No: 2126-0008.

Background: The Secretary of Transportation is responsible for implementing regulations which establish minimal levels of financial responsibility for: (1) For-hire motor carriers of property to cover public liability, property damage, and environmental restoration, and (2) for-hire motor carriers of passengers to cover public liability and property damage. The Endorsement for Motor Carrier Policies of Insurance for Public Liability (Forms MCS-90/90B) and the Motor Carrier Public Liability Surety Bond (Forms MCS-82/82B) contain the minimum amount of information necessary to document that a motor carrier of property or passengers has obtained, and has in effect, the minimum levels of financial responsibility as set forth in applicable regulations (motor carriers of property—49 CFR 387.9; and motor carrier of passengers—49 CFR 387.33). FMCSA and the public can verify that a motor carrier of property or passengers has obtained, and has in effect, the required minimum levels of financial responsibility, by use of the information embraced within these documents.

Respondents: Insurance and surety companies of motor carriers of property (Forms MCS-90 and MCS-82) and motor carriers of passengers (Forms MCS-90B and MCS-82B).
