Because of these court rulings, it is very important that those interested in this proposed action participate by the close of the 45-day comment period so that substantive comments and objections are made available to the Forest Service at a time when it can meaningfully consider them and respond to them in the final environmental impact statement.

To assist the Forest Service in identifying and considering issues and concerns on the proposed action, comments on the draft environmental impact statement should be as specific as possible. It is also helpful if comments refer to specific pages or chapters of the draft statement. Comments may also address the adequacy of the draft environmental impact statement or the merits of the alternatives formulated and discussed in the statement. Reviewers may wish to refer to the Council on Environmental Quality Regulations for implementing the procedural provisions of the National Environmental Policy Act at 40 CFR 1503.3 in addressing these points.

Comments received, including the names and addresses of those who comment, will be considered part of the public record on this proposal and will be available for public inspection.

January 23, 2007

Closed Session

7. The DEAC will also meet in a closed session on Tuesday, January 23, 2007, from 10 a.m.–12 p.m. During the closed session, there will be discussion of matters determined to be exempt from the provisions relating to public meetings found in 5 U.S.C. app. 2 §§ 10(a)(1) and 10(a)(3). The Assistant Secretary for Administration formally determined on December 12, 2006, pursuant to Section 10(d) of the Federal Advisory Committee Act, as amended (5 U.S.C. app. 2 § 10(d)), that the portion of the meeting concerning trade secrets and commercial or financial information deemed privileged or confidential as described in 5 U.S.C. 552b(c)(4) and the portion of the meeting concerning matters the disclosure of which would be likely to significantly frustrate implementation of an agency action as described in 5 U.S.C. 552b(c)(9)(B) shall be exempt from the provisions relating to public meetings found in 5 U.S.C. app. 2 §§ 10(a)(1) and 10(a)(3). All other portions of the DEAC meeting will be open to the public.

This action also discusses recent leadership changes within the DEAC. Originally, the Committee was formed with two co-chairmen, Robert Gates, who was then President of Texas A&M, and Norm Augustine, retired Chairman

& CEO of Lockheed Martin.

Subsequently, Gates was nominated by President Bush to serve as Secretary of Defense. The Senate confirmed Gates as Secretary of Defense on December 6, 2006. Upon confirmation, Gates resigned his position as co-chair and member of the DEAC.

In accordance with the DEAC's charter, the Secretary of Commerce has appointed Sean O'Keefe, Chancellor, Louisiana State University, and Ruth David, President and CEO, Analytic Services, Inc., to serve as vice-chairpersons. In their new roles, O'Keefe and David will assist Augustine the chairman, in formulating a comprehensive review of deemed export policies. The DEAC leadership comprises a unique and diverse set of experiences from industry, government and academia, and BIS expects that O'Keefe and David will contribute significantly to the DEAC in its preparation of recommendations.

Dated: December 28, 2006.
