

DEPARTMENT OF TRANSPORTATION**Federal Motor Carrier Safety Administration**

[Docket No. FMCSA–1998–4334; FMCSA–2006–24015; FMCSA–2008–0106; FMCSA–2008–0174; FMCSA–2010–0082]

Qualification of Drivers; Exemption Applications; Vision

AGENCY: Federal Motor Carrier Safety Administration (FMCSA), DOT.

ACTION: Notice of renewal of exemptions; request for comments.

SUMMARY: FMCSA announces its decision to renew the exemptions from the vision requirement in the Federal Motor Carrier Safety Regulations for 48 individuals. FMCSA has statutory authority to exempt individuals from the vision requirement if the exemptions granted will not compromise safety. The Agency has concluded that granting these exemption renewals will provide a level of safety that is equivalent to or greater than the level of safety maintained without the exemptions for these commercial motor vehicle (CMV) drivers.

DATES: This decision is effective August 18, 2012. Comments must be received on or before September 4, 2012.

ADDRESSES: You may submit comments bearing the Federal Docket Management System (FDMS) numbers: Docket No. FMCSA–1998–4334; FMCSA–2006–24015; FMCSA–2008–0106; FMCSA–2008–0174; FMCSA–2010–0082, using any of the following methods:

- *Federal eRulemaking Portal:* Go to <http://www.regulations.gov>. Follow the on-line instructions for submitting comments.

- *Mail:* Docket Management Facility; U.S. Department of Transportation, 1200 New Jersey Avenue SE., West Building Ground Floor, Room W12–140, Washington, DC 20590–0001.

- *Hand Delivery or Courier:* West Building Ground Floor, Room W12–140, 1200 New Jersey Avenue SE., Washington, DC, between 9 a.m. and 5 p.m., Monday through Friday, except Federal Holidays.

- *Fax:* 1–202–493–2251.

Instructions: Each submission must include the Agency name and the docket number for this notice. Note that DOT posts all comments received without change to <http://www.regulations.gov>, including any personal information included in a comment. Please see the Privacy Act heading below.

Docket: For access to the docket to read background documents or

comments, go to <http://www.regulations.gov> at any time or Room W12–140 on the ground level of the West Building, 1200 New Jersey Avenue SE., Washington, DC, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. The Federal Docket Management System (FDMS) is available 24 hours each day, 365 days each year. If you want acknowledgment that we received your comments, please include a self-addressed, stamped envelope or postcard or print the acknowledgement page that appears after submitting comments on-line.

Privacy Act: Anyone may search the electronic form of all comments received into any of our dockets by the name of the individual submitting the comment (or of the person signing the comment, if submitted on behalf of an association, business, labor union, etc.). You may review DOT's Privacy Act Statement for the FDMS published in the **Federal Register** on January 17, 2008 (73 FR 3316), or you may visit <http://edocket.access.gpo.gov/2008/pdf/E8-785.pdf>.

FOR FURTHER INFORMATION CONTACT:

Elaine M. Papp, Chief, Medical Programs Division, 202–366–4001, fmcamedical@dot.gov, FMCSA, Department of Transportation, 1200 New Jersey Avenue SE., Room W64–224, Washington, DC 20590–0001. Office hours are from 8:30 a.m. to 5 p.m. Monday through Friday, except Federal holidays.

SUPPLEMENTARY INFORMATION:**Background**

Under 49 U.S.C. 31136(e) and 31315, FMCSA may renew an exemption from the vision requirements in 49 CFR 391.41(b)(10), which applies to drivers of CMVs in interstate commerce, for a two-year period if it finds “such exemption would likely achieve a level of safety that is equivalent to or greater than the level that would be achieved absent such exemption.” The procedures for requesting an exemption (including renewals) are set out in 49 CFR part 381.

Exemption Decision

This notice addresses 48 individuals who have requested renewal of their exemptions in accordance with FMCSA procedures. FMCSA has evaluated these 48 applications for renewal on their merits and decided to extend each exemption for a renewable two-year period. They are:

Catarino Aispuro (OR)
Gary R. Andersen (NE)
Edwin A. Betz (IN)

Donald L. Carman (OH)
Christopher R. Cone (GA)
Walter O. Connelly (WA)
Stephen B. Copeland (GA)
Armando P. D'Angeli (PA)
Donald R. Davis (FL)
Louis A. DiPasqua, Jr. (NY)
Henry L. Donovan (WV)
Randy J. Doran (OR)
Robert E. Dukes (MS)
Roger D. Elders (MI)
James F. Epperson (IN)
Lucious J. Erwin (TX)
Riche Ford (CO)
Kelly L. Foster (UT)
Kevin K. Friedel (NY)
Donald W. Garner (AL)
Paul W. Goebel, Jr. (NY)
Ronnie L. Hanback (AL)
Steven G. Harter (OR)
Michael C. Hensley (OH)
George F. Hernandez, Jr. (AZ)
Scott A. Hillman (PA)
Jesse P. Jamison (TN)
Ronnie M. Jones (ID)
Andrew C. Kelly (WV)
Jason W. King (MT)
James T. Leek (WA)
Billy J. Lewis (LA)
Larry McCoy, Sr. (OH)
Robert W. McMillian, Sr. (MA)
Richard A. Peterson (OR)
Chad M. Quarles (AL)
Carroll G. Quisenberry (KY)
Daniel S. Rebstad (FL)
Ryan J. Reimann (WI)
Jacob H. Riggle (OK)
Brandon J. See (IA)
Ricky L. Shepler (PA)
LeTroy D. Sims (SC)
John L. Stone (PA)
Nils S. Thornberg (OR)
Daniel W. Toppings (WV)
Christopher R. Whitson (NC)
Aaron E. Wright (MI)

The exemptions are extended subject to the following conditions: (1) That each individual has a physical examination every year (a) by an ophthalmologist or optometrist who attests that the vision in the better eye continues to meet the requirements in 49 CFR 391.41(b)(10), and (b) by a medical examiner who attests that the individual is otherwise physically qualified under 49 CFR 391.41; (2) that each individual provides a copy of the ophthalmologist's or optometrist's report to the medical examiner at the time of the annual medical examination; and (3) that each individual provide a copy of the annual medical certification to the employer for retention in the driver's qualification file and retains a copy of the certification on his/her person while driving for presentation to a duly authorized Federal, State, or local enforcement official. Each exemption

will be valid for two years unless rescinded earlier by FMCSA. The exemption will be rescinded if: (1) The person fails to comply with the terms and conditions of the exemption; (2) the exemption has resulted in a lower level of safety than was maintained before it was granted; or (3) continuation of the exemption would not be consistent with the goals and objectives of 49 U.S.C. 31136(e) and 31315.

Basis for Renewing Exemptions

Under 49 U.S.C. 31315(b)(1), an exemption may be granted for no longer than two years from its approval date and may be renewed upon application for additional two year periods. In accordance with 49 U.S.C. 31136(e) and 31315, each of the 48 applicants has satisfied the entry conditions for obtaining an exemption from the vision requirements (63 FR 66227; 64 FR 16520; 71 FR 14567; 71 FR 30228; 73 FR 28187; 73 FR 35195; 73 FR 35196; 73 FR 35197; 73 FR 35198; 73 FR 35199; 73 FR 35200; 73 FR 35201; 73 FR 38497; 73 FR 38498; 73 FR 38499; 73 FR 48273; 73 FR 48275; 75 FR 25919; 75 FR 39729; 75 FR 44051). Each of these 48 applicants has requested renewal of the exemption and has submitted evidence showing that the vision in the better eye continues to meet the requirement specified at 49 CFR 391.41(b)(10) and that the vision impairment is stable. In addition, a review of each record of safety while driving with the respective vision deficiencies over the past two years indicates each applicant continues to meet the vision exemption requirements. These factors provide an adequate basis for predicting each driver's ability to continue to drive safely in interstate commerce. Therefore, FMCSA concludes that extending the exemption for each renewal applicant for a period of two years is likely to achieve a level of safety equal to that existing without the exemption.

Request for Comments

FMCSA will review comments received at any time concerning a particular driver's safety record and determine if the continuation of the exemption is consistent with the requirements at 49 U.S.C. 31136(e) and 31315. However, FMCSA requests that interested parties with specific data concerning the safety records of these drivers submit comments by September 4, 2012.

FMCSA believes that the requirements for a renewal of an exemption under 49 U.S.C. 31136(e) and 31315 can be satisfied by initially granting the renewal and then

requesting and evaluating, if needed, subsequent comments submitted by interested parties. As indicated above, the Agency previously published notices of final disposition announcing its decision to exempt these 48 individuals from the vision requirement in 49 CFR 391.41(b)(10). The final decision to grant an exemption to each of these individuals was made on the merits of each case and made only after careful consideration of the comments received to its notices of applications. The notices of applications stated in detail the qualifications, experience, and medical condition of each applicant for an exemption from the vision requirements. That information is available by consulting the above cited **Federal Register** publications.

Interested parties or organizations possessing information that would otherwise show that any, or all, of these drivers are not currently achieving the statutory level of safety should immediately notify FMCSA. The Agency will evaluate any adverse evidence submitted and, if safety is being compromised or if continuation of the exemption would not be consistent with the goals and objectives of 49 U.S.C. 31136(e) and 31315, FMCSA will take immediate steps to revoke the exemption of a driver.

Issued on: July 26, 2012.

Larry W. Minor,

Associate Administrator for Policy.

DEPARTMENT OF TRANSPORTATION

National Highway Traffic Safety Administration

Announcing the Twentieth Public Meeting of the Crash Injury Research and Engineering Network (CIREN)

AGENCY: National Highway Traffic Safety Administration (NHTSA), DOT.

ACTION: Meeting Announcement.

SUMMARY: This notice announces the Twentieth Public Meeting of members of the Crash Injury Research and Engineering Network. CIREN is a collaborative effort to conduct research on crashes and injuries at six Level I Trauma Centers across the United States linked by a computer network. The current CIREN model utilizes two types of centers, medical and engineering. Medical centers are based at Level I Trauma Centers that admit large numbers of people injured in motor vehicle crashes. These teams are led by trauma surgeons and emergency

physicians and also include a crash investigator and project coordinator. Engineering centers are based at academic engineering laboratories that have experience in motor vehicle crash and human injury research. Engineering teams partner with trauma centers to enroll crash victims into the CIREN program. Engineering teams are led by mechanical engineers, typically trained in the area of impact biomechanics. Engineering teams also include trauma/emergency physicians, a crash investigator, and a project coordinator. Either type of team typically includes additional physicians and/or engineers, epidemiologists, nurses, and other researchers. The CIREN process combines prospective data collection with professional multidisciplinary analysis of medical and engineering evidence to determine injury causation in every crash investigation conducted. Researchers can review data and share expertise, which may lead to a better understanding of crash injury mechanisms and the design of safer vehicles.

The six centers will give presentations on current research based on CIREN data. Topics include thoraco-lumbar fractures in frontal crashes, risk of pelvic fractures in motor vehicle collisions, trauma system adoption of Advanced Automatic Collision Notification (AACN) Systems, lower extremity injury patterns sustained in frontal crashes, evaluation of brain lesion location sustained in motor vehicle crashes, and major vascular injuries.

The final agenda will be posted to the CIREN Web site that can be accessed by going to the NHTSA homepage <http://www.nhtsa.dot.gov/>, click on Vehicle Safety Research on the right side of the top toolbar, and then click on Crash Injury Research and Engineering Network (CIREN) in the box on the left. The agenda will be posted one week prior to the meeting.

DATE AND TIME: The meeting is scheduled from 9 a.m. to 4 p.m. on Wednesday, September 5, 2012.

ADDRESSES: The meeting will be held at: Department of Transportation Headquarters, Oklahoma Room, 1200 New Jersey Avenue SE., Washington, DC 20590.

TO REGISTER FOR THIS EVENT: It is essential that you pre-register to expedite the security process for entry to the meeting facility. Please send your name, affiliation, phone number, and email address to Rodney.Rudd@dot.gov by Thursday, August 30, 2012, in order to have your name added to the pre-registration list. Everyone must have a
