GENERAL SERVICES ADMINISTRATION

[Notice-MA-2019-09; Docket No. 2019-0002; Sequence No. 26]

Federal Management Regulation (FMR); Sleeping in Federal Buildings

AGENCY: Office of Government-wide Policy (OGP), General Services Administration (GSA).

ACTION: Notice.

SUMMARY: This bulletin reaffirms that sleeping in buildings under the jurisdiction, custody or control of GSA, including those buildings delegated to other Federal agencies by the Administrator of General Services, is prohibited, except when expressly authorized by an agency official. Sleeping may be authorized if the person is directed by a supervisor to remain in the building to conduct official government business and it is necessary for the person to sleep on the premises or, in the case of an emergency where there is imminent danger to human life or property, where persons are directed to shelter-in-place.

DATES: *Applicable:* November 5, 2019.

FOR FURTHER INFORMATION CONTACT:

Chris Coneeney, Director, Real Property Policy Division, Office of Government-wide Policy, GSA at 202-501-2956, or email realpropertypolicy@gsa.gov. Please cite FMR Bulletin B-49.

SUPPLEMENTARY INFORMATION: The Federal Management Regulation (FMR) does not specifically identify unauthorized sleeping as a type of prohibited conduct in subpart C of 41 CFR part 102-74. Instead, agency officials have relied on provisions in the FMR that address hazards, disturbances and failure to comply with the lawful direction of Federal police officers and other authorized individuals to prohibit the practice of unofficially sleeping in Federal buildings. Since GSA has received questions regarding the permissibility of sleeping in Federal buildings, and the FMR does not specifically address this conduct, GSA is issuing this bulletin to reaffirm the fact that all persons are prohibited from sleeping in Federal buildings, except when such activity is expressly authorized by an agency official. The Facility Manager will post this bulletin in a conspicuous place in the building so that all persons in the building have constructive or actual notice of the policy.

Jessica Salmoiraghi,

Associate Administrator, Office of Government-wide Policy.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Agency for Healthcare Research and Quality

Patient Safety Organizations: Voluntary Relinquishment from Symbria SAFE

AGENCY: Agency for Healthcare Research and Quality (AHRQ), Department of Health and Human Services (HHS).

ACTION: Notice of delisting.

SUMMARY: The Patient Safety and Quality Improvement Final Rule (Patient Safety Rule) authorizes AHRQ, on behalf of the Secretary of HHS, to list as a patient safety organization (PSO) an entity that attests that it meets the statutory and regulatory requirements for listing. A PSO can be "delisted" by the Secretary if it is found to no longer meet the requirements of the Patient Safety and Quality Improvement Act of 2005 (Patient Safety Act) and Patient Safety Rule, when a PSO chooses to voluntarily relinquish its status as a PSO for any reason, or when a PSO's listing expires. AHRQ accepted a notification of proposed voluntary relinquishment from Symbria SAFE, PSO number P0146, of its status as a PSO, and has delisted the PSO accordingly.

DATES: The delisting was effective at 12:00 Midnight ET (2400) on October 31, 2019.

ADDRESSES: The directories for both listed and delisted PSOs are ongoing and reviewed weekly by AHRQ. Both directories can be accessed electronically at the following HHS website: <http://www.pso.ahrq.gov/listed>.

SUPPLEMENTARY INFORMATION:

Background

The Patient Safety Act, 42 U.S.C. 299b-21 to 299b-26, and the related Patient Safety Rule, 42 CFR part 3, published in the **Federal Register** on November 21, 2008, 73 FR 70732-70814, establish a framework by which individuals and entities that meet the definition of provider in the Patient Safety Rule may voluntarily report information to PSOs listed by AHRQ, on a privileged and confidential basis, for

the aggregation and analysis of patient safety events.

The Patient Safety Act authorizes the listing of PSOs, which are entities or component organizations whose mission and primary activity are to conduct activities to improve patient safety and the quality of health care delivery.

HHS issued the Patient Safety Rule to implement the Patient Safety Act. AHRQ administers the provisions of the Patient Safety Act and Patient Safety Rule relating to the listing and operation of PSOs. The Patient Safety Rule authorizes AHRQ to list as a PSO an entity that attests that it meets the statutory and regulatory requirements for listing. A PSO can be “delisted” if it is found to no longer meet the requirements of the Patient Safety Act and Patient Safety Rule, when a PSO chooses to voluntarily relinquish its status as a PSO for any reason, or when a PSO’s listing expires. Section 3.108(d) of the Patient Safety Rule requires AHRQ to provide public notice when it removes an organization from the list of PSOs.

AHRQ has accepted a notification of proposed voluntary relinquishment from Symbria SAFE, a component entity of Symbria Inc., to voluntarily relinquish its status as a PSO. Accordingly, Symbria SAFE, P0146, was delisted effective at 12:00 Midnight ET (2400) on October 31, 2019.

Symbria SAFE has patient safety work product (PSWP) in its possession. The PSO will meet the requirements of section 3.108(c)(2)(i) of the Patient Safety Rule regarding notification to providers that have reported to the PSO and of section 3.108(c)(2)(ii) regarding disposition of PSWP consistent with section 3.108(b)(3). According to section 3.108(b)(3) of the Patient Safety Rule, the PSO has 90 days from the effective date of delisting and revocation to complete the disposition of PSWP that is currently in the PSO’s possession.

More information on PSOs can be obtained through AHRQ’s PSO website at <http://www.pso.ahrq.gov>.

Associate Director.
