SUPPLEMENTARY INFORMATION:

Background

On February 4, 2021, based on timely requests for review, in accordance with 19 CFR 351.221(c)(1)(i), we initiated an administrative review of the antidumping duty order on welded line pipe from the Republic of Korea

(Korea).¹ The period of review is December 1, 2019, through November 30, 2020. In August 2021, we extended the preliminary results of this review to no later than December 30, 2021.² For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.³

Scope of the Order

The merchandise subject to the Order is welded line pipe.⁴ The product is currently classified under the following Harmonized Tariff Schedule of the United States (HTSUS) item numbers: 7305.11.1030, 7305.11.1060, 7305.11.5000, 7305.12.1030, 7305.12.1060, 7305.12.5000, 7305.19.1030, 7305.19.5000, 7306.19.1010, 7306.19.1050, 7306.19.5110, and 7306.19.5150. Although the HTSUS subheadings are provided for convenience and for customs purposes, the written product description remains dispositive.

Preliminary Determination of No Shipments

Among the companies under review, HiSteel Co., Ltd. (HiSteel) properly filed a statement that it made no shipments of subject merchandise to the United States during the POR.⁵ Based on its certification and our analysis of U.S. Customs and Border Protection (CBP) information, we preliminarily determine that HiSteel had no reviewable transactions during the POR.⁶ Consistent with our practice, we are not preliminarily rescinding the review with respect to HiSteel. Instead, we will complete the review for HiSteel and issue appropriate instructions to CBP based on the final results of this review.⁷

Preliminary Results of the Review

As a result of this review, we preliminarily determine the following weighted-average dumping margins for the period December 1, 2019, through November 30, 2020:
