BILLING CODE 3110-01-P

OFFICE OF THE UNITED STATES TRADE REPRESENTATIVE

Request for Comments Concerning Compliance With Telecommunications Trade Agreements

AGENCY: Office of the United States Trade Representative.

ACTION: Notice of request for public comment and reply comment.

SUMMARY: Pursuant to section 1377 of the Omnibus Trade and Competitiveness Act of 1988 (19 U.S.C. 3106) ("section 1377"), the Office of the United States Trade Representative ("USTR") is reviewing and requests comments on: The operation, effectiveness, and implementation of and compliance with the following agreements regarding telecommunications products and services of the United States: the World Trade Organization ("WTO") General Agreement on Trade in Services; the North American Free Trade Agreement ("NAFTA"); U.S. free trade agreements ("FTAs") with Australia, Bahrain, Chile, Morocco, and Singapore; the Dominican Republic-Central America-United States Free Trade Agreement ("CAFTA-DR"); and any other FTA or telecommunications trade agreement coming into force on or before January 1, 2009. The USTR will conclude the review by March 31, 2009.

DATES: Comments are due by noon on December 12, 2008 and reply comments by noon on January 16, 2009.

ADDRESSES: Gloria Blue, Executive Secretary, Trade Policy Staff Committee, ATTN: Section 1377 Comments, Office of the United States Trade Representative, 1724 F Street, NW., Washington, DC 20508.

FOR FURTHER INFORMATION CONTACT: Catherine Hinckley, Office of Services and Investment (202) 395-9539; or Amy Karpel, Office of the General Counsel (202) 395-3150.

SUPPLEMENTARY INFORMATION: Section 1377 requires the USTR to review

annually the operations and effectiveness of all U.S. trade agreements regarding telecommunications products and services of the United States that are in force with respect to the United States. The purpose of the review is to determine whether any act, policy, or practice of a country that has entered into an FTA or other telecommunications trade agreement with the United States is inconsistent with the terms of such agreement or otherwise denies U.S. firms, within the context of the terms of such agreements, mutually advantageous market opportunities for telecommunications products and services. For the current review, the USTR seeks comments on:

(1) Whether any WTO member is acting in a manner that is inconsistent with its obligations under WTO agreements affecting market opportunities for telecommunications products or services, e.g., the WTO General Agreement on Trade in Services ("GATS"), including the Basic Telecommunications Agreement, the Annex on Telecommunications, and any scheduled commitments including the Reference Paper on Pro-Competitive Regulatory Principles;

(2) Whether Canada or Mexico has failed to comply with its telecommunications obligations under the NAFTA;

(3) Whether El Salvador, the Dominican Republic, Guatemala, Honduras or Nicaragua has failed to comply with its telecommunications obligations under the CAFTA-DR;

(4) Whether Australia, Bahrain, Chile, Morocco, Singapore, or any other country for which an FTA with the United States will be in force on or before January 1, 2009, has failed to comply with its telecommunications obligations under the respective FTA between the United States and that country (see http://www.ustr.gov/Trade_Agreements/Section_Index.html for U.S. FTAs);

(5) Whether any country has failed to comply with its obligations under telecommunications trade agreements with the United States other than FTAs, e.g., Mutual Recognition Agreements (MRAs) for Conformity Assessment of Telecommunications Equipment (see <http://www.tcc.mac.doc.gov> for a collection of trade agreements related, *inter alia*, to telecommunications);

(6) In regard to issues listed in items (1) to (5) or item (7), also consider whether a country employs a legal standard for granting injunctions with respect to regulatory decisions that is so lenient that it undermines the country's ability to ensure compliance with its

specific obligations under telecom trade agreements;

(7) Whether any act, policy, or practice of a country cited in a previous section 1377 review remains unresolved (see http://www.ustr.gov/Trade_Sectors/Telecom-E-commerce/Section_1377/Section_Index.html for the 2008 review); and

(8) Whether any measures or practices impede access to telecommunications markets or otherwise deny telecommunications products and services of the United States market opportunities with respect to any country that is a WTO member or for which an FTA or telecommunications trade agreement has entered into force between such country and the United States. Measures or practices of interest include, for example, prohibitions on voice over Internet protocol (VOIP) services; requirements for access or use of networks that limit the products or services U.S. suppliers can offer in specific markets; the imposition of excessively high licensing fees, and the imposition of unnecessary or discriminatory technical regulations or standards in the telecom product or services sectors.
