DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-4644-N-50]

Federal Property Suitable as Facilities To Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for possible use to assist the homeless.

FOR FURTHER INFORMATION CONTACT:

Clifford Taffet, room 7266, Department of Housing and Urban Development, 451 Seventh Street SW., Washington, DC 20410; telephone (202) 708-1234; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 1-800-927-7588.

SUPPLEMENTARY INFORMATION:

In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or

(3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Brian Rooney, Division of Property Management, Program Support Center, HHS, room 5B-41, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Clifford Taffet at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (i.e., acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the

appropriate landholding agencies at the following addresses: *Army*: Ms. Julie Jones-Conte, Headquarters, Department of the Army, Office of the Assistant Chief of Staff for Installation Management, Program Integration Office, Attn: DAIM-MD, Room 1E677, 600 Army Pentagon, Washington, DC 20310-0600; (703) 692-9223; *GSA*: Mr. Brian K. Polly, Assistant Commissioner, General Services Administration, Office of Property Disposal, 18th and F Streets, NW., Washington, DC 20405; (202) 501-0052; *Interior*: Ms. Linda Tribby, Acquisition & Property Management, Department of the Interior, 1849 C Street, NW., Washington, DC 20240; (202) 219-0728; (These are not toll-free numbers).

U.S. Fish and Wildlife Service Manual Chapters on Audits

AGENCY: Fish and Wildlife Service,
Interior.

ACTION: Notice and request for

SUMMARY: The U.S. Fish and Wildlife

policy on State audits accomplished by
its Division of Federal Aid by issuing
U.S. Fish and Wildlife Service Manual
Chapters on the subject. The Service is
requesting comments and suggestions
on the chapters as described below.
DATES: Comments must be received by
February 12, 2002.

ADDRESSES: Comments should be
addressed to Kris E. LaMontagne, Chief,

FOR FURTHER INFORMATION CONTACT:

Doug Alcorn, Region 7 Chief, Division
of Federal Aid, U.S. Fish and Wildlife
Service, Telephone: (907) 786–3545.

SUPPLEMENTARY INFORMATION:

Background

Through the Federal Aid in Sport Fish
and Wildlife Restoration Program, the
Service disburses funds to States in the
form of grants to restore and manage the
Nation's fish and wildlife resources. The
States use the funds to conduct
research, surveys and management;
purchase and restore habitat; operate
fish hatcheries; build boat access sites;
and provide education, outreach and
communications.

The Program is authorized by the
Federal Aid in Sport Fish Restoration
Act, 16 U.S.C. 777 *et seq.*, enacted in
1950 and the Federal Aid in Wildlife
Restoration Act, 16 U.S.C. 669 *et seq.*,
enacted in 1937. The Program's
regulations can be found in Title 50
Code of Federal Regulations, part 80,
“Administrative Requirements, Federal
Aid in Fish and Federal Aid in Wildlife
Restoration Acts;” Title 43 Code of
Federal Regulations, part 12,
“Administrative and Cost Principles for
Assistance Programs;” and other
applicable regulations. Various Office of
Management and Budget (OMB)
circulars, and guidance in the form of
Service policy also apply to these
chapters.

Funds for the Program are derived
from excise and import taxes on fishing
equipment, firearms, archery equipment
and certain motorboat fuels paid into
the Sport Fish Restoration Account or
the Federal Aid to Wildlife Restoration
Fund. The manufacturer or U.S.
Customs (on imports) collects these
taxes and pays it to the U.S. Department
of the Treasury, who transfers the
money to the Service for distribution to
the States.

Periodically the Service conducts
audits of our State partners, testing for
compliance with applicable Acts,
regulations, accounting principles, and
Service policy. The purpose of these
proposed chapters is to clarify the
processes and guidelines for conducting
an audit, from beginning through close-
out of the audit process and resolution
of any findings or other issues.

Generally our State partners are: The
50 States, the District of Columbia, the
Commonwealths of Puerto Rico and the
Northern Mariana Islands, Guam, the
U.S. Virgin Islands, and American
Samoa.

We are inviting comments on all
chapters. Comments are welcome
regarding completeness of the content of
material in chapters; clear, easy to
