Instructions: Direct your comments to Docket ID No. EPA–R03–OAR–2015–0470. EPA's policy is that all comments received will be included in the public docket without change, and may be made available online at *www.regulations.gov*, including any personal information provided, unless the comment includes information claimed to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Do not submit information that you consider to be CBI or otherwise protected through *www.regulations.gov* or email. The *www.regulations.gov* Web site is an "anonymous access" system, which means EPA will not know your identity or contact information unless you provide it in the body of your comment. If you send an email comment directly to EPA without going through *www.regulations.gov*, your email address will be automatically captured and included as part of the comment that is placed in the public docket and made available on the Internet. If you submit an electronic comment, EPA recommends that you include your name and other contact information in the body of your comment and with any disk or CD-ROM you submit. If EPA cannot read your comment due to technical difficulties and cannot contact you for clarification, EPA may not be able to consider your comment. Electronic files should avoid the use of special characters, any form

of encryption, and be free of any defects or viruses.

Docket: All documents in the electronic docket are listed in the *www.regulations.gov* index. Although listed in the index, some information is not publicly available, *i.e.*, CBI or other information whose disclosure is restricted by statute. Certain other material, such as copyrighted material, is not placed on the Internet and will be publicly available only in hard copy form. Publicly available docket materials are available either electronically in *www.regulations.gov* or in hard copy during normal business hours at the Air Protection Division, U.S. Environmental Protection Agency, Region III, 1650 Arch Street, Philadelphia, Pennsylvania 19103. Copies of the State submittal are available at the Pennsylvania Department of Environmental Protection, Bureau of Air Quality Control, P.O. Box 8468, 400 Market Street, Harrisburg, Pennsylvania 17105; and at the Allegheny County Health Department, Bureau of Environmental Quality, Division of Air Quality, 301 39th Street, Pittsburgh, Pennsylvania 15201.

Approval and Promulgation of Implementation Plans; State of Missouri, Limited Maintenance Plan for the St. Louis Nonclassifiable Maintenance Area for the 8-Hour Carbon Monoxide National Ambient Air Quality Standard

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: The Environmental Protection Agency (EPA) is proposing to approve revisions to the State Implementation Plan (SIP) submitted by the State of Missouri relating to the Ten Year Limited Maintenance Plan for the St. Louis area for the 8-Hour Carbon Monoxide (CO) National Ambient Air Quality Standard (NAAQS). On April 8, 2014, the Missouri Department of Natural Resources (MDNR) submitted to EPA a second 10-year maintenance plan for the St. Louis area for the CO NAAQS. This maintenance plan addresses maintenance of the CO NAAQS for a second 10-year period beyond the original redesignation. In accordance with the requirements of the Clean Air Act (CAA), EPA is approving the revision because the State adequately demonstrates that the St. Louis Maintenance area will maintain air quality standards for CO through the year 2022.

DATES: Comments on this proposed action must be received in writing by November 2, 2015.

ADDRESSES: Submit your comments, identified by Docket ID No. EPA–R07–OAR–2015–0513, by mail to Steven Brown, Environmental Protection Agency, Air Planning and Development Branch, 11201 Renner Boulevard, Lenexa, Kansas 66219. Comments may also be submitted electronically or through hand delivery/courier by following the detailed instructions in the **ADDRESSES** section of the direct final rule located in the rules section of this **Federal Register**.

FOR FURTHER INFORMATION CONTACT: Steven Brown, Environmental Protection Agency, Air Planning and Development Branch, 11201 Renner Boulevard, Lenexa, Kansas 66219 at 913–551–7718, or by email at *brown.steven@epa.gov*.

SUPPLEMENTARY INFORMATION: In the final rules section of the **Federal Register**, EPA is approving the state's SIP revision as a direct final rule without prior proposal because the Agency views this as a noncontroversial revision amendment and anticipates no relevant adverse comments to this action. A detailed rationale for the approval is set forth in the direct final rule. If no relevant adverse comments are received in response to this action, no further activity is contemplated in relation to this action. If EPA receives relevant adverse comments, the direct final rule will be withdrawn and all public comments received will be addressed in a subsequent final rule based on this proposed action. EPA will not institute a second comment period on this action. Any parties interested in

commenting on this action should do so at this time. Please note that if EPA receives adverse comment on part of this rule and if that part can be severed from the remainder of the rule, EPA may adopt as final those parts of the rule that are not the subject of an adverse comment. For additional information, see the direct final rule which is located in the rules section of this **Federal Register**.

Background

On September 17, 2015, the Bureau released a public notice extending the deadlines for filing comments and reply comments in response to Section IV.B of the *Special Access FNPRM*, 78 FR 2600, January 11, 2013, in the Commission's special access rulemaking proceeding until November 20, 2015 and December 11, 2015, respectively. Previous comment period extensions have been published in the **Federal Register**. The latest comment period extension was published in the **Federal Register** on July 14, 2015 (80 FR 40956), to extend the comment and reply comment deadlines to September 25, 2015 and October 16, 2015, respectively. On December 11, 2012, the Commission adopted an order requiring providers and purchasers of special access service and certain entities providing "best efforts" service to submit data and information for a comprehensive evaluation of the special access market. In Section IV.B of the *Special Access FNPRM* accompanying that order, the Commission sought comment on possible changes to its rules for the special access services provided by incumbent local exchange carriers in price cap areas. The Commission set the comment deadlines on this portion of the *Special Access FNPRM* several months after its release, in order to give
