

States mining laws to protect recreational values and the investment of Federal funds at the Howard Lake, Ross Creek, and Yaak Falls Recreation Areas. The withdrawal created by PLO No. 6881 will expire on September 18, 2011, unless extended. This notice also gives the public an opportunity to comment on the proposed action and to request a public meeting.

DATES: Comments and requests for a public meeting must be received by May 18, 2011.

ADDRESSES: Comments and meeting requests should be sent to the Regional Forester, U.S. Forest Service, Region 1, P.O. Box 7669, Missoula, Montana 59807, or the Montana State Director, Bureau of Land Management, 5001 Southgate Drive, Billings, Montana 59101-4669.

FOR FURTHER INFORMATION CONTACT: Scott Bixler, U.S. Forest Service, Region 1, P.O. Box 7669, Missoula, Montana 59807, 406-329-3655, or Sandra Ward, Bureau of Land Management, 5001 Southgate Drive, Billings, Montana 59101-4669, 406-896-5052.

SUPPLEMENTARY INFORMATION: The USDA Forest Service filed an application requesting that the Department of the Interior's Assistant Secretary for Land and Minerals Management extend PLO No. 6881 (56 FR 47414 (1991)), which withdrew approximately 95 acres of National Forest System lands located in Lincoln County, Montana, from location and entry under the United States mining laws (30 U.S.C. ch. 2) for an additional 20-year term. PLO No. 6881 is incorporated herein by reference.

The purpose of the proposed withdrawal extension is to continue to protect recreational values and the investment of Federal funds at the Howard Lake, Ross Creek and Yaak Falls Recreation Areas.

The use of a right-of-way, interagency agreement, cooperative agreement, or surface management under 43 CFR part 3809 regulations would not provide adequate protection.

There are no suitable alternative sites available. There are no other Federal lands in the area containing these unique recreational opportunities and improvements.

No additional water rights will be needed to fulfill the purpose of the requested withdrawal extension.

On or before May 18, 2011, all persons who wish to submit comments, suggestions, or objections in connection with the proposed withdrawal extension may present their views in writing to the Regional Forester, U.S. Forest Service, Region 1, P.O. Box 7669, Missoula, Montana 59807.

Comments, including names and street addresses of respondents, will be available for public review at the U.S. Forest Service, Region 1, 200 East Broadway, Missoula, Montana, and the Bureau of Land Management, Montana State Office, 5001 Southgate Drive, Billings, Montana, during regular business hours.

Individual respondents may request confidentiality. Before including your address, phone number, e-mail address, or other personal identifying information in your comments, be advised that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask in your comment to withhold from public review your personal identifying information, we cannot guarantee that we will be able to do so.

Notice is hereby given that an opportunity for a public meeting is afforded in connection with the proposed withdrawal extension. All interested persons who desire a public meeting for the purpose of being heard on the proposed withdrawal must submit a written request to the Regional Forester, U.S. Forest Service, Region 1, P.O. Box 7669, Missoula, Montana 59807 by May 18, 2011. Upon determination by the authorized officer that a public meeting will be held, a notice of the time and place will be published in the **Federal Register** and at least one local newspaper not less than 30 days before the scheduled date of the meeting.

This application will be processed in accordance with the applicable regulations set forth in 43 CFR 2310.4.

Authority: 43 CFR 2310.3-1.

Cynthia Staszak,
Chief, Branch of Land Resources.

DEPARTMENT OF THE INTERIOR

Bureau of Land Management

[IDI-35965]

Notice of Proposed Withdrawal and Opportunity for Public Meeting; Idaho

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: The U.S. Forest Service (USFS) has filed an application with the Bureau of Land Management (BLM) requesting the Assistant Secretary of the Interior for Land and Minerals Management withdraw 183.47 acres of

National Forest System land in the Idaho Panhandle National Forest from mining to protect the Settler's Grove of Ancient Cedars Recreation Area near Wallace, Idaho. This notice segregates the lands for up to 2 years from location and entry under the United States mining laws while the withdrawal application is being processed. The land will remain open to mineral leasing and to all activities currently consistent with applicable Forest plans and those related to the exercise of valid existing rights.

DATES: Comments and request for a public meeting must be received by May 18, 2011.

ADDRESSES: Comments and meeting requests should be sent to the Forest Supervisor, Idaho Panhandle National Forest, 3815 Schreiber Way, Coeur d'Alene, Idaho 83815.

FOR FURTHER INFORMATION CONTACT: Laura Bingham, BLM Idaho State Office (208) 373-3866 or Scott Bixler, Forest Service, (406) 329-3655.

SUPPLEMENTARY INFORMATION: The USFS has filed an application to withdraw the following described National Forest lands from location and entry under the United States mining laws, subject to valid existing rights. This parcel of land has been withdrawn for USFS use since 1987 for protection of the Settler's Grove of Ancient Cedars Roadless Recreation Area. This proposed withdrawal covers the same land withdrawn for USFS use under Public Land Order (PLO) No. 6658 (52 FR 36577 (1987)). Due to an administrative oversight on the part of the USFS, PLO 6658 expired before an extension of the withdrawal could be processed. Therefore, the USFS is requesting a new 20-year withdrawal covering the same area:

The area described contains 183.47 acres in Shoshone County.

For a period of 2 years from February 17, 2011, subject to valid existing rights the land will be segregated from location and entry under the United States mining laws unless the application is denied or canceled or the withdrawal is approved prior to that date. The temporary land uses which may be permitted during this segregative period include activities currently consistent with applicable plans and those related to the exercise of valid existing rights, including public recreation and other activities compatible with preservation of the character of the area.

The application will be processed in accordance with the regulations set forth in 43 CFR 2300.

For a period of 90 days from the date of publication of this notice, all persons who wish to submit comments, suggestions, or objections in connection with the proposed withdrawal may present their views in writing to the Forest Supervisor, Idaho Panhandle National Forest, at the address indicated above.

The use of a right-of-way, interagency agreement, cooperative agreement or surface management under 43 CFR part 3809 would not adequately constrain nondiscretionary uses that could irrevocably affect the use of the lands for mining purposes.

No water rights would be needed to fulfill the purpose of the requested withdrawal.

Notice is hereby given that an opportunity for a public meeting is afforded in connection with the proposed withdrawal. All interested persons who desire a public meeting for the purpose of being heard on the proposed withdrawal must submit a written request to the Forest Supervisor at the address indicated above by May 18, 2011. Upon determination by the authorized officer that a public meeting will be held, a notice of the time and place will be published in the **Federal Register** and a newspaper having a general circulation in the vicinity of the land at least 30 days before the scheduled date of the meeting.

Records relating to the application may be examined by interested parties at the address of the Idaho Panhandle National Forest Office stated above.

Comments, including names and street addresses for respondents, will be available for public review at the Idaho Panhandle National Forest Office during regular business hours, 7:30 a.m. to 4

p.m., Monday through Friday, except holidays. Before including your address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from the public review, we cannot guarantee that we will be able to do so.
