SUPPLEMENTARY INFORMATION:

This document extends the public comment period established in the **Federal Register** for 30 days. In that **Federal Register** notice, EPA proposed revising and reorganizing the regulations for generators of hazardous waste. The purpose of these proposed revisions is to make the rules easier to understand, facilitate better compliance, provide greater flexibility in how hazardous waste is managed, and improve environmental protection by closing important gaps in the regulations. Several requests were received from potential commenters to extend the comment period to allow greater time to comment. EPA is hereby extending the comment period, which was set to end on November 24, 2015, to December 24, 2015. Please note that late comments on this rule making may not be considered.

To submit comments or access the docket, please follow the detailed instructions as provided under **ADDRESSES**. If you have questions, consult the individuals listed under **FOR FURTHER INFORMATION CONTACT**.

Management Standards for Hazardous Waste Pharmaceuticals

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule; extension of comment period.

SUMMARY: The Environmental Protection Agency (EPA or the Agency) is announcing an extension to the comment period for the proposed rule on the management and disposal of hazardous waste pharmaceuticals published in the **Federal Register** on September 25, 2015. EPA is proposing new hazardous waste pharmaceutical regulations under the Resource Conservation and Recovery Act (RCRA) to improve compliance and thereby enhance protection of human health and the environment. Specifically, EPA proposed to revise the regulations to improve the management and disposal of hazardous waste pharmaceuticals and tailor them to address the specific issues that hospitals, pharmacies and other healthcare-related facilities face. The revisions are also intended to clarify the regulation of the reverse distribution mechanism used by healthcare facilities for the management of unused and/or expired pharmaceuticals. The comment period is being extended to December 24, 2015.

DATES: Comments on the proposed rule published September 25, 2015 (80 FR 58014) must be received on or before December 24, 2015.

ADDRESSES: Submit your comments, identified by Docket ID No. EPA-HQ-RCRA-2007-0932, to the *Federal eRulemaking Portal*: <http://www.regulations.gov>. Follow the online instructions for submitting comments. Once submitted, comments cannot be edited or withdrawn. The EPA may publish any comment received to its public docket. Do not submit electronically any information you consider to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Multimedia submissions (audio, video, etc.) must be accompanied by a written comment. The written comment is considered the official comment and should include discussion of all points you wish to make. The EPA will generally not consider comments or comment contents located outside of the primary submission (*i.e.* on the web, cloud, or other file sharing system). For additional submission methods, the full EPA public comment policy, information about CBI or multimedia submissions, and general guidance on making effective comments, please visit <http://www2.epa.gov/dockets/commenting-epa-dockets>.
